Dear Northview Parents/Guardians,

This year on Veteran's Day, Northview School will take time to remember and honor our veterans who have defended our Nation's freedom. We look to our veterans for their example of courage and sacrifice.

At the elementary level, the program we provide is simple – but none the less, meaningful. We are inviting veterans to help us celebrate their selfless service at a ceremony on Friday, November 9th. Parents, grandparents, or other relatives of Northview Preschool through 4th grade students that have served in any branch of the service (or are currently serving) and would like to participate in the ceremony, please fill out the attached form and return to school by Friday, October 19th. We are planning to include all Veterans names that will be present with us during this ceremony on a special slideshow that will be viewed while attendees are waiting for the ceremony to begin. For this reason, names turned in AFTER October 19th may not be included on this slide show.

We are also inviting the veterans to come to school early and have donuts and coffee prior to the ceremony. We will greet the veterans and their "Northview students" that they are here to represent at 8:45 a.m. in the school cafeteria. Please list below if the veteran will come early for donuts.

The ceremony will not be long. It will start at 9:30 a.m. in the school gym. We will have the Presentation of Colors, the National Anthem will be sung, we will say the Pledge of Allegiance, introduce the veterans, and sing a few patriotic songs. Parking is available in the north, east and south lots. If those parking spaces fill up we will also open up parking in the west drive once the children have entered the building at 8:45 a.m.

America's veterans deserve our deepest respect and enduring appreciation. All parents are welcome to join us for the ceremony if you are able.

Sincerely,

Sara McDonald, Principal

Dear Preschool Parents,

We are planning to include all Veterans names that will be present with us during this ceremony on a special slideshow that will be viewed while attendees are waiting for the ceremony to begin. For this reason, names turned in AFTER October 19th may not be included on this slide show. **Preschool students will be a part of the ceremony at the very beginning of the program. They will lead the Pledge of Allegiance for our program and then go back to class. The program lasts about 45 minutes and that is a long time for our youngest students. If there are any Preschool families that will have veterans represented in our program, parents are welcome to then go pick up your child and bring them back with you to sit with you and finish out the program if you so desire.**

We are also inviting the veterans to come to school early and have donuts and coffee prior to the ceremony. We will greet the veterans and their "Northview students" that they are here to represent at 8:45 a.m. in the school cafeteria. Please list on the attached if the veteran will come early for donuts.
