Northview Elementary Student Handbook

PARENTS

A parent/teacher advisory committee developed within school board policy guidelines, this student handbook which addresses discipline. The school furnishes a copy of the handbook to parents/guardians of enrolling students within fifteen (15) days after the beginning of the school year, or within fifteen (15) days after starting classes for a pupil who transfers to the school during the school year. The committee, in cooperation with local law enforcement agencies, shall include policy guideline procedures to establish and maintain a reciprocal reporting system between the school and local law enforcement agencies regarding criminal offenses committed by student. (105 ILCS 5/10 – 20.14)

This handbook provides students and families an opportunity to be familiar with the rules, regulations, procedures and other relevant information necessary for the orderly function of the school. It has been structured to promote student progress, as well as in the interest of modeling appropriate school government. In addition, this handbook provides for the psychological and physical safety of the students through appropriate rules and regulations.

When breaches of school disciplinary rules and regulations occur, it is the responsibility of involved teachers and administrators to work with the student, his/her parents, and other support personnel to help the student correct his/her behavior. All disciplinary actions shall be directed toward protecting the welfare of the school community as well as helping the student develop self – discipline. When determining the response for a specific breach of discipline, school personnel will consider the nature of the act, the student’s previous history, his/her age and maturation, any mitigating circumstances, and the affect of his/her actions on the welfare of the school community. Disciplinary responses may include but are not limited to the actions described in this handbook.

Additional School Rules

In addition to the rules stated in the handbook, each principal, within his or her school, may establish certain written rules and regulations not inconsistent with those established by the Board of Education and the Superintendent of Schools.

Disclaimer

This handbook is not intended to create a contractual relationship with the students. It is intended to describe the school, its current practices, procedures, rules, and regulations or code of conduct. Membership or participation in a school – sanctioned activity is a privilege and not a property right. Furthermore this handbook may be amended during the year without notice.

ADMINISTRATIVE WELCOME

Dear Parents and Students,

We would like to welcome you to the 2019 – 2020 school year at Northview Elementary Schools. We are pleased to have you as partners in this educational year. Teamwork is an expectation as teachers, parents, and students create child – centered learning environments and focus on the achievement of each child. Our students need your support, involvement, and your encouragement throughout the year. We encourage you to provide opportunities for reading nightly, and to help your child develop good study habits at home. Let's work together to reach our students' educational goals and make this school year a rewarding one.

This handbook will act as a guide to inform you about our school, school environment, expectations, and accomplishments. Please read your handbook and support us when rules and regulations are enforced. Please keep in mind that we must make our decisions for the good of all of our students and not just one individual or special group. This handbook will by no means answer all the questions that you might have concerning our school. Please contact us if any questions, problems, or concerns arise. Special note to parents: If you have any questions or concerns during the school year, we hope you will follow the chain of command to resolve the situation.

Please feel comfortable coming to Northview Elementary. Know that we are interested in your child and want to help in any way we can. These elementary years are crucial to your child's future school success, and we want these years to be as successful as possible.

Sincerely,

Sara McDonald
Northview School
Principal

RESPONSIBILITIES

Parental

A successful school experience originates in the home. It is the obligation of the parents, by their teachings and examples, to develop in their children attitudes of respect for the school, the teachers, the Principal, and for other children.

1. Instill a respect for authority, for the rights of adults and other children, and for property.
2. See that your child is neat, clean, rested, and in good health.
3. Ensure daily attendance and promptness.
4. Talk with your child about school activities. Discuss assignments, report cards, and other school communication with your child.
5. Provide supplies, time, place, supervision and encouragement for homework completion.
6. Maintain appropriate regular communication with the school concerning your child's progress, behavior, health concerns, or significant information that may be useful in making educational decisions.
7. Understand and comply with the rules of the school concerning pupil conduct.

Student

To ensure the best environment for learning, students shall be expected to:

1. Follow the 3 basic school expectations: Be Respectful, Responsible, and Safe.
2. Cooperate with all figures of authority.
3. Exhibit the type of behavior that shows respect for the community. Act and react in an acceptable age appropriate manner. Accept diversity, regardless of religion, race, national origin, sex, or handicap. All students will be treated with respect.
4. Take pride in your work, achievements, personal appearance, courtesy, and the high personal standards you hold for yourself.

Staff

To ensure the best environment for learning, teachers and staff shall be expected to:

1. Follow the 3 basic school expectations: Be Respectful, Responsible, and Safe.
2. Be positive role models.
3. Provide a safe, happy, and caring environment for learning and teaching.
4. Employ instructional strategies which encourage the development of self discipline and self – respect.
5. Develop, maintain and reinforce the Positive Behavior Interventions and Systems (PBIS) which facilitate learning.
6. Seek conferences with parents in an effort to assist students academically, socially, or emotionally.

Northview before school drop off traffic flow

Older students dropped off with siblings at the north entrance, walk through door #5, through the building, out door #7 across from the main office, and out to the 2nd, 3rd, and 4th grade lines.

Northview School Drop off Directions

To ensure safe and efficient drop off, please follow the directions and contact the office if you have any questions. No students should be dropped off at the main entrance unless they are tardy and all busses are gone. Students that are tardy need to be signed in. Please share these procedures with any adult who may bring your child to school. Reminder: It is against the law to use cell phones in a school zone. It is also against the law to smoke on school property.

PreK, K, 1 AM drop off directions

- Students in PreK, K, 1 and any older siblings of K and 1 students, will be dropped off at the north end of the building.
- Cars will enter at the north Plum Street entrance and veer right
- Drop off line continues looping around the parking lot with students being dropped off at the sidewalk near door #5.
- There is enough sidewalk space to safely drop off approximately 10 at a time.
- Cars will be directed to pull all the way to the northeast end of the sidewalk to allow for the maximum number of students to be dropped off at one time.
- Students will exit the car on the passenger side and proceed directly to the sidewalk. In order to expedite the process, teachers will only open up the car door for parents when they are able. Parents or children are responsible for unbuckling their own seat belts.
- Students then head to their respective homeroom line on the side of the playground.
- In the event of inclement weather, all PreK, K, 1 students, and siblings that get dropped off with them, will enter the building at door #5 and proceed through the building to their respective grade level hallways instead of lining up outside.

Grades 2, 3, 4 AM drop off directions

- Cars will enter at the south Shooting Park entrance and veer right.
- Cars proceed around the loop until they get to the west end corner.
- There is enough sidewalk space to safely drop off approximately 14 students at a time.
- Cars will be directed to pull all the way to the west end to allow for the maximum number of students to be dropped off at one time.
- Students will exit the car on the passenger side and proceed west on the sidewalk.
- Students then head to the west to their grade level homeroom lines on the west side of the building in the gated off area.
- Students with a sibling in K or 1 will get dropped off with K, 1 students. They will enter the building through Door #5 and walk down the hall and exit to the upper grade playground area.
- In the event of inclement weather, all 2nd, 3rd, and 4th grade students will be dropped off in the same manner but will enter the building at door #20 and proceed through the building to their respective grade level hallways instead of lining up outside.

Grade level line areas:

- K – play area on the north end of the building K students enter the building at door #5
- 1 – play area on the north end of the building 1ST grade students enter the building at door #5
- 2 – west side of the building in the gated off area 2ND grade students enter the building at door #10
- 3 – west side of the building in the gated off area 3RD grade students enter the building at door #20
- 4 – west side of the building in the gated off area 4TH grade students enter the building at door #1

Northview after school pick up traffic flow

Northview School Pick up directions

To ensure safe and efficient pick up, please follow the directions and contact the office if you have any questions. **Please do not park your car and walk to pick up your child.** Please share these procedures with any adult who may pick your child up from school.

Reminder: It is against the law to use cell phones in a school zone. It is also against the law to smoke on school property.

PreK, K, 1 PM pick up instructions

- Students in PreK, K, 1 and any older siblings of K and 1 students, will be picked up at the north end of the building.
- Parents who are walking from the neighborhood to meet their child are asked to please stop and wait by the fence near the checkered flag. Teachers will send the student(s) to you when they see you.
- Cars will enter at the north Plum Street entrance and will veer right.
- Pick up line continues looping around the parking lot with students being picked up all along the sidewalk near door #5.
- Cars will be directed to pull all the way to the northeast end of the sidewalk to allow for maximum number of students to be picked up at one time. There is enough sidewalk space to safely pick up approximately 10 at a time.
- Please have your pick up window I.D. hanging from the rearview mirror, on the visor, or sitting on the dash so it is visible to the teachers directing students to the pickup location.
- Pull forward to your child and he/she will enter the car on the passenger side. If a teacher is available, they may open up the car door in order to expedite the loading process. Please make sure your child can secure themselves in their seat. For PreK and Kdg. students, if they cannot secure their own car seat, please pull forward around the curve where you are able to get out of the car if needed to get your child in the car seat. Parents may not exit their vehicle to assist their children until they have moved past the pick-up zone.
- Cars will continue to pull forward as far in line as they can and students will continue to load cars and exit the line.
- Older siblings of the K and 1 students will get picked up with them at the north end of the building.

Grades 2, 3, and 4 grade pick up directions

- Cars will enter at the south Shooting Park entrance and veer right.
- Cars can begin forming 2 lines once they are around the first bend to the right.
- Cars proceed around the loop until they get to the west end corner.
- Teachers will direct cars from one line at a time to form the pick up line along the sidewalk at the south end of the building.
- Cars will be directed to pull all the way to the west end to allow for the maximum number of students to be picked up at one time. There is enough sidewalk space to safely pick up approximately 14 students at a time.
- Please have your pick up window I.D. hanging from the rearview mirror, displayed on the visor, or sitting on the dash so it is visible to the teachers.
- Pull forward to your student and they will enter the car on the passenger side.
- Once your child is secured in the car, you may pass in the passing lane to exit or proceed straight ahead if all other cars are loaded and ready to leave.

EQUAL EDUCATIONAL OPPORTUNITIES

Equal educational and extracurricular opportunities shall be available for all students without regard to color, race, nationality, religion, sexual orientation, ancestry, age, physical or mental disability, gender identity, status of being homeless, order of protection status, actual or potential marital or parental status, including pregnancy. (Board Policy 7:10)

Sex Equity

No student shall, based on gender or sexual orientation, be denied equal access to programs, activities, services, or benefits or be limited in the exercise of any right, privilege, advantage, or denied equal access to educational and extracurricular programs and activities. (Board Policy 7:10)

SCHOOL INFORMATION

Accidents

All accidents which occur at school must be reported to the principal's office immediately. Students or teachers should report the particulars as soon as possible. Under no circumstances should a student leave the building because of injury unless leaving with the parent/guardian and/or his/her designee. When possible and in most cases, the parent/guardian will be notified by the principal's office when their student is injured.

Animals

In order to assure student health and safety, animals are not allowed on school property; before, during, or after school, except in the case of a service animal accompanying a student or other individual with a documented disability. This rule may be temporarily waived by the building principals in the case of an educational opportunity for students, provided that (a) the animal is appropriately housed, humanely cared for, and properly handled, and (b) students will not be exposed to a dangerous animal or an unhealthy environment.

Asbestos Notice

The District complies with all regulations relative to asbestos abatement. Additional information may be requested from the office of the Superintendent. The inspection/management plan is available for review during the hours of 8:00am and 4:00pm in the Principal's office.

Absence Reporting and Attendance Requirements

Illinois law requires that whomever has allocation of parental rights for the education of any child between 6-16 years of age shall assure that the child attends school during the entire time school is in session. The habit of regular and punctual attendance is strongly related to the success of every student. We ask that you help your child acquire this habit. All absences must be reported to the Principal's office prior to 9:00 a.m. each day your child will not be in attendance. The absence may be called in the night before to our answering machine. If the parent does not call, The School Code

of Illinois states that the school makes a reasonable effort to contact the parent to verify an unreported or unexcused absence. (Board Policy 7:70) The final responsibility to see the student is legally in school rests with the parent or guardian. Students and parents must act in compliance with the Illinois School Code, Chapter 122, Articles 26 – 1 and 26 – 2, which govern compulsory school attendance laws, excessive absences, and truancy. Students leaving school during school hours must be picked up in the office by the parent/guardian or his/her designated responsible adult. In the event of a child's absence, parent/guardian is expected to obtain make-up work and homework assignments.

Illinois School Code mandates the following attendance guidelines:

Grades K & 1 – must be in attendance 240 minutes to be credited for a full day or 120 minutes or more to be credited for a half day. *Grades 2, 3, 4* – must be in attendance 300 minutes to be credited for a full day or 150 minutes or more to be credited for a half day.

Any absence due to illness or injury that extends beyond three (3) consecutive school days shall require a medical excuse issued by a person licensed under the Medical Practice Act.

Truancy – Is an unexcused absence or tardy from school for all or part of the school day, as defined by Section 26 – 2a of the Illinois School Code. Students who miss more than 1% but less than 5% of the previous 180 regular school days without a valid cause (a recognized excuse) are considered TRUANT. Students are considered to be CHRONICALLY TRUANT if they are absent without valid cause for 5% or more of the previous 180 regular attendance days. Consequences for truancy are determined by the repetitiveness and/or nature of the truancy. Parent contacts, referral to school district support systems, or referral to the LaSalle County Truancy Officer may also be made. If your child must be late or absent due to a doctor or dental appointment, you must contact the school with a phone call or turn in a written note stating the reason for the tardy/absence.

Tardiness – Students that arrive at school after the 8:50 a.m. bell must have a parent sign them in at the office. Consequences for tardiness will be determined by the repetitiveness and/or nature of the tardiness. Parent contacts, referral to school district support systems, or referral to the LaSalle County Truancy Officer may also be made.

Preapproved Absence – The preapproved absence procedure enables a parent/guardian to withhold the student from school for good reason. Prearranged absences must be arranged 48 hours in advance and be approved by the principal. Absences shall be considered unexcused (and the student considered truant) without prior principal approval for these absences. Students are responsible for all make-up work. School work must be completed or arrangements must be made with the classroom teacher. Although the school discourages vacations during the regularly scheduled school year, we recognize that some situations make this unavoidable. A preapproved absence request form must be filled out and submitted 7 days before the vacation or other extended absences. Vacation or other extended absence approval will be up to 5 school days throughout the school year. A student will be excused for up to 5 days if a student's parent/guardian is an active duty member of military and

has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings. Anything over the number of allowable days will be listed as an unexcused absence. The policy for unexcused absences and truancy will then be followed. Student work will be collected during the time a child is gone and compiled for the students to make up upon his/her return to school. Parents are strongly discouraged from taking children out of school during PARCC testing time (3rd – 4th grade), and MAP Assessment (1st– 4th grade). The PARCC testing window is normally in the spring. MAP Assessment is held in September and January.

Excused Absence – An excused absence meets the following criteria: personal illness or physical disablement (medical documentation will be required for chronic absences); doctor appointments; critical illness or death in immediate family; school related activities.

Unexcused Absence – Unexcused absence is an unauthorized absence from school, such as: oversleeping, shopping, appointments other than medical, visiting relatives or friends, leaving class or school grounds without permission, babysitting, skipping school, “Bring your Son/Daughter to Work Days”, or working at home on school projects. Students leaving school during school hours must be picked up in the office by the parent/guardian or his/her designated responsible adult.

Bicycles – (NO skateboards)

Upon reaching Northview School property, bikes should be walked to the bike racks provided. The school cannot be held responsible for damage or theft when bikes are parked on school grounds.

Birthday Treats, Snacks, and Classroom Parties

Due to health concerns, all treats and snacks (including birthday treats) must be store bought and factory prepackaged. Baked goods from home or from a bakery are not allowed as a birthday treat. This includes Hy-Vee, Walmart, and any local bakery. Treats and snacks cannot require refrigeration and must have a clearly printed list of ingredients on the packaging. We strongly encourage you to select a treat or snack with nutritional value.

We encourage parents to send a birthday book to school on your child’s birthday or half birthday instead of a food treat. The book can be one of your child’s favorite that they want to share with the class and then bring back home OR it can be a book that you would like to donate to the classroom library. Teachers will have book donation labels to put in books noting that it was a “birthday book donation” so that it makes it even more special for the child.

The only acceptable birthday treats are listed below. Anything not on this list will be returned home with your child.

- * Individually prepackaged baby carrots
- * Individually prepackaged apple slices
- * Cutie oranges

- * Bananas
- * Individually wrapped cheese sticks or Babybels
- * Hostess Muffins – mini or regular

If your child's teacher allows snacks during the school day, students in all grades will bring their own snacks from home. This is to ensure that each child has food that is safe for him/her. Please only send dry snacks such as pretzels, gold fish crackers, granola bars, raisins, or any fruit like apples, oranges, bananas, etc. Fruit cups, applesauce, yogurt and pudding cups (if it must be eaten with a spoon) are not allowed. Soda is not permitted at school.

There are three (3) Holiday parties that are celebrated in the classrooms throughout the school year. Classroom teachers pre-arrange volunteers who provide these holiday snacks. Do not send any holiday treats to school without being requested to do so by the classroom teacher. Avoidance of all foods with nuts is the safest for students with specific allergies. Reading ingredient labels will help everyone know what is in the foods brought in for class parties. We require treats and snacks to follow the following guidelines:

1. Only store bought items that are sealed in the original package with ingredients listed are permitted in the classrooms during the school day when students are in attendance.
2. Baked goods from home or from a bakery are not allowed during holiday

- parties. This includes Hy-Vee, Walmart, and any local bakery.
3. All snacks and treats intended to be shared with classmates must be nut free.

Please note the nut products that may be listed in the paragraph of ingredients or in bold type underneath. You may also find the phrase..."made in the same factory with peanuts and/or tree nuts". These foods are also NOT safe for children with peanut/nut allergies. If you are unsure of the ingredients, please do not bring it in.

No treat bags are allowed for holiday parties. This includes treat bags with food items AND non-food items. If treat bags are sent to school for holiday parties, they will be sent back home with your child. For Valentine's Day, please send cards only, no candy. Pencils, erasers, stickers, tattoos, etc. are allowed to be attached to the Valentines.

Books/Supplies

The Board of Education furnishes texts to students on a tuition basis. This is a rental fee and all texts remain the property of Peru Elementary Schools. If a book is lost or damaged, the student shall pay the replacement cost on a prorated basis. Deliberate marking, tearing or defacing of books is just cause for the student to pay the replacement charge. Each student is responsible for providing his/her own supplies upon receiving the list from his/her various classes. Material that is loaned to the students, such as library books, music CDs, and recorders are property of Peru Public Schools. Each student is responsible for the care and return. If damaged or lost a fee will be charged for replacement.

Cell Phone/Electronic Devices

Students are not to have cameras, mp3 players, etc. during school hours. If cell phones are brought to school, they must be turned off upon entering the school at the beginning of the student's school day and remain off until the student's school day has ended unless a supervising teacher grants permission for them to be used or if needed during an emergency that threatens the safety of students, staff, or other individuals. Students that are wearing a Smartwatch and using it inappropriately or it becomes distracting to the learning environment (ie: playing games) will be asked to take it off and put it in their bookbag and not bring it back to school. If a student is in violation, the device will be taken to the office for the parent to pick up. The school assumes NO responsibility for any items lost or stolen. Students should not put school owned devices (IPAD's, chromebooks, headphones, etc.) in their book bags at any time. (Board Policy 7:190)

Reminder: It is against the law to use cell phones in a school zone. (Public Act 096-0131)

Change of Address/Phone

For emergency purposes, we must have updated information on each student. If at any time during the school year a student moves to a different address, the change MUST be reported to the school office. Likewise a change in telephone number, change of work/emergency contacts, or the addition of a cell phone should be reported.

Computers

The use of computers, labs, software, and related items is a privilege, not a right. It is the student's responsibility to treat the equipment with care and to report instances of misuse. If a student damages, copies, tampers with or tries to gain access to confidential files or information, he/she will be disciplined, including suspension or expulsion, in addition to paying restitution. Loading of personal software or using disks from home is prohibited. Though efforts will be made to avoid inappropriate access to Internet sites, students are ultimately responsible for the sites they access. Chat rooms and Instant Messaging are not to be used at school. Students **MUST** have permission to send any email. Violation of the Internet/Technical Systems Use Agreement policy will result in a loss of privilege for one month (1st violation). E-mail is not to be used except under direct supervision. (See page 38 – 41) for Student Acceptable Use Policy)

Conferences

Parent teacher conferences may be initiated by parent or teacher as the need arises. Regularly scheduled conferences are held during the school year, and every parent is invited to attend. Any person wishing to confer with a staff member shall contact the staff member **by telephone** to make an appointment. A standard of reasonableness is encouraged. Parents seeking personal contact or conferences on a daily basis are urged to consider the appropriateness of this request. Conferences with teachers are held outside school hours or during the teacher's conference/preparation period. (Board Policy 8:95)

Curriculum

The kindergarten through grade four (4) elementary school curricula stress reading, language arts, math, science, social studies, art, music, and physical education. Each grade level will have specific curricular information available at the fall Open House. Technology experiences are integrated in many of the learning activities at all grade levels. Students access computers in classrooms and in the computer lab.

Deliveries

Deliveries of flowers, balloons, or other such gifts **will not be made during school**. Deliveries will be refused upon arrival.

Detentions

Detentions will be given in writing 24 hours in advance of the date to be served, unless the parent is contacted and grants permission to stay the same day. Detentions may be given for behavior or other actions deemed inappropriate or unsatisfactory for the school setting. Detentions can be served Monday – Thursday from 3:25 – 3:50 P.M. Repeated unserved or skipped detentions will be considered gross disobedience or misconduct and further disciplinary action will be at the discretion of the administrator and may include suspension or Saturday detention.

Dress Code

Student behavior is greatly improved, leading to a more productive working environment when students are dressed appropriately for school. Everyone is expected to dress and be groomed in accordance with acceptable standards of cleanliness and appropriateness. A student's appearance, including dress and

grooming, must not disrupt the educational process, interfere with the maintenance of a positive teaching/learning climate, or compromise reasonable standards of health, safety, and decency. (Board Policy 7:160)

Students are required to dress appropriately for the weather. This includes boots, snowsuits, hats, and mittens for cold weather. Boots are to be worn outside only. When a student wears boots to school they must also have a pair of shoes to wear inside the building. Students must wear tennis shoes for P.E. Students P.E. shoes are to be kept at school. At the younger age, P.E. shoes with Velcro are encouraged when students do not know how to tie their shoes. Students who repeatedly don't have tennis shoes for P.E. may be given a minor.

Shoes must be worn at all times. Flip flops, sandals with straps and high heeled shoes are not recommended footwear. Shoes with wheels in the heels are not allowed on school property. For safety, students wearing these types of shoes will not be allowed to play on the playground equipment nor participate in physical activity of any kind. In addition, students will be asked to change into PE shoes during the school day by their classroom teacher. These PE shoes are not allowed to be worn outside.

Items not allowed include, **but are not limited to:** midriff shirts that expose the stomach, apparel that promotes or advertises drugs/alcohol/tobacco/violence/profanity or music groups/individuals that portray or promote any of those. When students have inappropriate language or content on clothing, they will be given different clothes to change into or shirts will be turned inside out if no alternative clothes are available. Chains attached to belts or wallets, or worn in any fashion are prohibited.

Emergency Drills

State law mandates that all schools hold periodic fire and disaster drills. Drills will be held at various times throughout the year. The purpose of these drills is to familiarize students with procedures to follow should an emergency situation arise. The fire alarm is a loud continuous buzzing sound. Students will practice exiting the building in a safe and expedient manner. During a disaster drill, students become aware of the procedures to follow in case of a severe weather emergency. We also practice how to respond should there be a situation in which we need to lockdown the building. There are various levels of lockdown and procedures may vary depending upon the situation. As in all drills, students are aware they must remain quiet in order to hear any directions that are given related to the situation at hand. Should you be visiting the building at any of these times, you will be instructed as to how to proceed. Drill procedures will be posted in the classrooms. (Board Policy 4:170)

Entrance Requirements

Children must be 5 years of age on or before September 1 of the current school year in order to enroll in kindergarten. Required for registration are a copy of the student's certified birth certificate and proof of residency.(Board Policy 7:60)

Current Illinois students transferring from another Illinois School

Your previous school will forward your child's health records. The school nurse will notify you of any missing information.

Non-Illinois students transferring from a school outside of Illinois

When you register your child at Peru Elementary School, you will be asked to complete a health information sheet. Any pertinent information from that sheet will be shared with your child's teacher and administration. If you child has a chronic health condition (asthma, diabetes, ADHD, food allergy, etc.), please contact the school nurse to discuss your child's condition and plan any care your child will require during school hours.

If your child requires medication during school hours, please have the doctor complete the Medication During School Hours form available in the student health section of our website.

Students enrolling in an Illinois school for the first time must present proof of a physical exam, current immunizations, and an eye exam. Both exams must have been completed within 1 year prior to the date of entry into an Illinois school. Out of state physical forms must include all the required elements as listed on the Illinois Certificate of Child Health Examination Form.

If the out of state physical is greater than 1 year old or does not meet all the required elements of the Illinois Child Health Code transfer, students will be required to submit proof of a physical meeting all requirements within 30 days of the child's first day of school.

Proof of physical exam & eye exam must be submitted within 30 days of the child's first day of attendance at an Illinois school. Failure to comply with physical & immunization requirements will result in your child being excluded from school until such requirements are met.

All forms can be downloaded and printed from home. Click on the student health section under the parent resource tab on our website.

Exemptions (Board Policy 7:100)

A student will be exempted from the above requirements for:

1. Religious grounds if the student's parent/guardian presents to the building principal the completed Illinois Certificate of Religious Exemption;
2. Health examination or immunization requirements on medical grounds if a physician provides written verification;
3. Eye examination requirement if the student's parent/guardian shows an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist; or
4. Dental examination requirement if the student's parent/guardian shows an undue burden or a lack of access to a dentist.

Field Trips

Students are invited to participate in field trips which contribute to the district's desired educational goals. All field trips will be supervised by staff members and other adults. Adults designated as chaperones may not bring other children not assigned to the class on the field trip. Chaperones need to focus their full attention on the students they are supervising. Adults designated as chaperones may not smoke while on the trip. Fees may be charged for students and chaperones; however no student will be excluded because of lack of funds. There may be instances where a parent is asked to accompany their child on the field trip in order for that child to attend the trip. NO money or purchases will be allowed on field trips. Parental permission must be obtained in writing when a field trip is planned. (Board Policy 6:240)

Homeless

When a child loses permanent housing and becomes a homeless person as defined by law, or when a homeless child changes his or her temporary living arrangements, the parent or guardian of the homeless child has the option of either: (1) continuing the child’s education in the school of origin for as long as the child remains homeless or, if the child becomes permanently housed, until the end of the academic year during which the housing is acquired; or (2) enrolling the child in any school that non-homeless students who live in the attendance area in which the child or youth is actually living are eligible to attend.

Homework

The purpose of homework is to reinforce a lesson, strengthen skills, and improve student study habits. **Absence:** It is the responsibility of the student/parent to obtain all make – up work. Parents may request and pick-up homework in the office between 3:00 – 4:00 p.m. on the day of the absence. Students have the same number of days to make up work as they missed from school. If a student’s absence is excused or if a student is suspended from school, he/she will be permitted to make up all missed work, including homework and tests, for equivalent academic credit. Students who are unexcused from school will not be allowed to make up missed work.

Grades 1-4 only - Late work: If late work occurs frequently, the student may be assigned to attend Project Success until homework is completed. If students have missing homework, a minor may be given. If late work becomes chronic, the teacher will be in contact with the parents to discuss their concerns.

Lost & Found

If your child is missing something, parents may call the school or check the “lost & found”. All “found” articles should be brought to the office.

Lunch and Breakfast

Hot breakfasts and lunches are provided daily and are to be purchased through the computerized lunch account program. Students are asked to bring their money in an envelope which states the student’s name and the amount enclosed. Students may either bring a lunch or purchase a hot lunch in the cafeteria. Students that choose to bring a lunch need to bring a healthy, balanced lunch. NO soda will be allowed at lunch time. Children are not allowed to trade or share food items with other students. Cartons of milk may be purchased at school. Lunch menus are sent home monthly and are also posted in the homerooms and on the school web site.

Carton of Milk	\$0.35
One student breakfast	\$1.50
Student reduced breakfast	\$0.30
One Student Lunch	\$2.35
Student Reduced Lunch	\$0.40

Lunch and breakfast are available free of charge or at a reduced rate to those students whose parent(s) qualify for free or reduced rate. **ALL** students including those receiving free or reduced lunches that chooses to get a milk only, will be charged \$0.35 for the milk. Applications are available through the Superintendent’s Office. (Board Policy 4:130 & 4:140). If an account shows a deficit of \$10.00 or over, an alternative meal may be served.

Students are responsible for good table manners in the lunchroom. Each student is responsible for disposing of his/her trash or recycling. Trash in the immediate seating area, even under the table, is considered to be the responsibility of students at the table. Misbehavior in the lunchroom may result in, but is not limited to, loss of cafeteria privileges, assignment to an alternative site for lunch and/or recess, assigned seats, or any combination of these. A peanut/nut free table will be available as needed.

Parent – Teacher Club

All parents are encouraged to become active members of the Peru Elementary Parent Teacher Club. All parents are invited to attend these meetings and become actively involved in various projects which support the children and school. PTC meeting dates are posted on Peru’s website at www.perued.net.

Parent Volunteers

Parents that are able to volunteer in the classroom or school are strongly encouraged to do so. If you are interested in volunteering, please contact your child’s teacher or the school office. Also, there are guidelines put in place for the safety of our children. Prior to beginning work as a volunteer, each volunteer must complete a volunteer waiver form; which is available in the school office. Volunteers also need to show their driver’s license and pass the annual criminal background check that is conducted by the district office.

Party Invitations

Party invitations may be distributed at school if all the girls and/or boys in the child’s class/homeroom are receiving one. No invitations should be distributed on the playground or during recess times.

P.E. or Physical Activity Exemption (Board Policy 7:260)

In order to be excused from participation in physical education class or recess, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act. The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request. Students who need to be excused from PE or recess for more than

two days must have a doctor's note. The note should indicate when the students are released to participate again.

Pesticide Application

Our district office maintains a registry of parents or guardians who would like to receive written notification when any of the schools are to receive a pesticide application. If you would like to be included in this notification, please contact our district office at 223 – 0486. (Board Policy 4:160)

Progress Reports

Report cards are issued three times during the year at 12-week intervals. Midterm reports are sent home every 6 weeks. Parent grade access is available on – line at www.perued.net for grades 2 – 4. Look for the parent grade access link and use the user name and password information given at the beginning of the year.

Promotion/Retention

It is assumed that students will progress in a normal pattern through the grades year by year. A student shall not be promoted based upon age or any other social reason not related to academic performance. Occasionally, development characteristics of the individual learner create circumstances where retention in a given grade level will optimize the future educational potential for the child. Students may be retained who fall significantly below Peru Elementary Schools standards of performance as interpreted by the classroom teacher, the principal and other professional personnel.

Normally, every effort should be made to do this in the early primary years. Parents/guardians will be involved in the process. A decision will be made after extensive evaluation of the student's successful completion of the curriculum, academic performance, attendance, performance based on MAP (Measures of Academic Progress), or other testing. Joint conferencing among parent/guardian, teacher, and principal should provide optimal placement for each student.

Response to Intervention (Rtl) and Problem Solving

Rtl is a process designed to help schools focus on high quality interventions that are matched to student needs. Students are monitored on a frequent basis and the information gained from the Rtl process is used by school personnel to make decisions regarding the student's educational program.

School Hours

Please see page 10 of this handbook for the Northview Building Schedule. Office hours are 7:30 a.m. to 4:30 p.m. (Monday through Thursday) and 7:30 – 3:30 p.m. on Fridays. Supervision begins at **8:30 am for students**. Students eating breakfast may arrive by 8:20 a.m. It is recommended students arrive as close to bell time as possible. Students cannot arrive before 8:30 a.m. unless eating breakfast. Supervision after school lasts until the buses depart and most students have left campus. Remaining students are brought to the principal's office and may be picked up there.

School Visits

In order to provide the best safety and security for students and staff, building access will be restricted and all doors will remain locked when students are in session. The

building will remain locked after school unless an event is scheduled. Parents are welcome and encouraged to visit classes, provided their presence will not be disruptive. **Visitors who pass beyond the office while students are present will be required to provide a driver's license or state identification. A web-based security system, Raptor, will be used to conduct an instant screening of all visitors and volunteers using this identification.** Raptor will electronically check against a registered sexual offender database, produce a badge with your photo, and will provide date and time tracking data on visitors and volunteers. Visitors should return to the office before leaving the building to pick up their identification card.

There is NO SMOKING on school property by any visitor. Any staff member may request identification from any person on school grounds or in any school building; refusal to provide such information is a criminal act. Immediate removal will be sought for any person who: (1) refuses to provide requested identification, (2) interferes with, disrupts, or threatens to disrupt any school activity or the learning environment, (3) or engages in an activity in violation of School Board Policy 8:30, Visitors to and Conduct on School Property.

Parents, guardians, and guests are not permitted to take photographs (including cell phone photos) of children while they are visiting school property during school hours, with the exception of the Preschool Song and Snack. Families and students who participate in after school activities at the school, such as concerts and PTC Family Nights, intramurals, must be aware that other guests may be taking photos and may choose to post those photos on electronic media or social networking sites. The school and school district are not responsible for photographs posted on the Internet by private parties.

Sex Offender Registration Information

The Illinois State Police host a website that houses the names, addresses, and other information on registered sex offenders. Please consider this formal notification that this information is available to monitor the location of sex offenders in Peru, or any location in Illinois. The Illinois State Police website is www.isp.state.il.us/sor. A second website with similar information is www.familywatchdog.us. (Public Act 94-994)

Parents, guardians, or other adults who are registered sex offenders must notify the school office and get permission granted from the building principal when they want to attend school district functions during the school day and after school hours.

Snow Days/Hazardous Weather/Emergency Procedure

In the event that the school is closed or buses and/or school are running on a different schedule due to any extreme condition, local radio stations will keep you informed. When we have inclement weather it is suggested that you check Peru Elementary School District #124 Facebook page or the district webpage at www.perued.net. **AlertNow** is a system to deliver voice, e-mail and emergency SMS messages to keep parents and staff informed on important and time-sensitive information and may be used for announcing closings or other important information. Phoning the school for information is discouraged. (Board Policy 4:170)

Special Education Program & Services

Peru Public Schools belongs to LaSalle County Educational Alliance for Special Education. Comprehensive special education programs and services are currently available within our local district or within the other districts of the L.E.A.S.E. special education joint agreement. Services are available for all types of disabilities and/or exceptionalities. Within the L.E.A.S.E. Cooperative all member school districts establish, maintain, or have access to special education instructional programs, resource programs, and related services which meet the educational needs of children with the following exceptional characteristics: auditory; visual; physical/health impairments; speech/language impairments; deficits in the essential learning process of perception, conceptualization, memory, attention or motor control; deficits in intellectual development and mental capacity; affective/behavioral disorders adaptive behavior, due to traumatic brain injury or autism which restricts effective educational functioning. Notification of the intent to initiate a case study or to provide district special education services is required for any child being considered for such services.

Special Education Students Only – Medicaid Data Release

If a child receives special education services and is also Medicaid eligible, the school district can seek partial reimbursement for Medicaid for health services documented in your child's Individualized Education Program (IEP). Medicaid reimbursement is a source of federal funds approved by Congress to help school districts maintain and improve diagnostic and therapeutic services for students. The reimbursement process requires the school district to provide Medicaid with your child's name, birthdate and Medicaid number. Federal law requires annual notification of our intent to pursue this reimbursement opportunity.

If you approve of the release of information to Medicaid, do nothing.

If you object to the release of information to Medicaid, now or at any time in the future, please state your objection in writing and forward it to:

Peru Elementary School District 124
Brandi Anderson-Maier, Director of Special Services
1800 Church Street
Peru, IL 61354

Regardless of your decision the district must continue to provide, at no cost to you, the services listed in your child's IEP.

This program has **no impact** on current or future Medicaid benefits for you, the student or your family. Under federal law, your decision to participate in this program CANNOT:

- Decrease lifetime coverage or any other public insurance benefit,
- Result in the family paying for services that would otherwise be covered by Medicaid,
- Increase your premiums or lead to discontinuation of benefits or insurance, or
- Result in the loss of eligibility for home and community – based waivers.

Your continued consent allows the district to recover a portion of the costs associated with providing health services to your child.

Speech and Language Screening

Speech/language therapy services are provided by Peru Elementary for those students who qualify after being screened/identified by the speech language pathologist. Parents or guardians of students who are referred by school district personnel will be notified by the speech and language pathologist and asked to sign consent for screening. Questions regarding service availability should be directed to the district psychologist at 223 – 9731.

Student Fees

Lunch, breakfast, and textbooks are available free of charge or at a reduced rate to those students whose parent(s) qualify for free or reduced rate. Applications are available through the Superintendent’s Office. (Board Policy 4:130 & 4:140). PreK students are not charged any fees for attending school.

Book Fee	\$75/year
Technology Fee	\$25.00/year
Student Insurance (Optional)	Various Plans Available
Lunch Fees	\$2.35 day - See Lunch and Breakfast section for more information
Qualifying Student Reduced Lunch	\$0.40 day

Student Fees Waiver

A student shall be eligible for a fee waiver when: (1) the student is currently eligible for free or reduced lunches or breakfasts pursuant to 105 ILCS 125/1 et seq.; or (2) The student or the student’s family is currently receiving aid under Article IV of The Illinois Public Aid Code(Aid to Families with Dependent Children). Consideration will also be given where one or more of the following factors are present: illness in the family; unusual expenses such as fire, flood, storm damage, etc.; Seasonal unemployment; emergency situations; when one or more of the parent(s)/guardian(s) are involved in a work stoppage. The Parent(s)/guardian(s) shall submit evidence of eligibility for a waiver of student fee. A separate application form shall be submitted for each fee assessed to each student. Fees for textbooks and other instructional materials are waived for students who meet the eligibility criteria for fee waiver. Students receiving assistance are not exempt from charges for lost and damaged books, locks, materials, supplies, and equipment. Denial of a fee waiver request may be appealed to the Superintendent within 14 days of the denial. The Superintendent or designee shall respond within 14 days of receipt of the appeal. The Superintendent’s decision may be appealed to the Board of Education. The decision of the Board is final and pending. (Board Policy 4:140)

Testing
District

The MAP (Measures of Academic Progress) is administered to students in Grades 1 thru 4 in the Fall and Winter.

State

Students in grades 3 and 4 are given the PARCC assessment (Partnership for Assessment of Readiness for College and Careers) during the spring of 2019.

Title I Services

Peru Elementary Schools continues to provide Title I services to students residing in the District. Students from both the public and parochial schools may participate. Services are currently provided for students in Kindergarten through grade 8. *Students are serviced at both buildings – Northview and Parkside. Students from Peru Catholic who participate in Title I services do so at their home school and are monitored in conjunction with the two schools to ensure services provided use comparable methodology.*

Records and proposals for the Title I Program are housed at each individual school in the principal's office. The Title I instructors are responsible for maintaining proper records on each of the students serviced. In accordance to requirements for the Title I, Peru Schools maintains the program as targeted assistance for students identified as needing additional assistance in the area of reading.

The Title I instructors may conduct pre and post assessments for all students enrolled in the program. This task is performed in order to gather data indicating the student progress realized, due in part, to his/her participation in Title I programming. In addition, there is continual communication with the regular classroom teachers in order to provide appropriate support for the primary programming within the District.

Assurances

Peru's Title I Project has been designed and implemented in accordance to all requirements. The programming for Peru Elementary Schools is coordinated by the Title I instructors and director. Additionally, the instructors consult with the regular classroom teachers on a consistent basis in order to insure a coordinated effort exists between the two programs.

Comparability of Services

The required comparability documents are housed at Parkside in the superintendent's office. These documents include: comparability report, the district wide salary schedule, board policy on salary, and material equivalence among schools. Peru Elementary Schools pays its Title I Instructors according to his/her position on the negotiated salary schedule. At this time, Peru only has one school per grade span so comparability isn't a factor.

Allowable Costs Requirement

Information pertaining to allowable costs is housed at Parkside in the superintendent's office. Documents may include the following: class schedules, purchase orders, teachers' schedules, excess program cost calculations, and teacher contracts.

Needs Assessment

Peru Elementary Schools completes a Title I needs assessment during the spring of each school year. This survey is based primarily on student performance within the classroom and standardized test scores when available. In the primary grades Fountas and Pinnell Benchmarking will be utilized as part of the student assessment in the spring of each year. Student performance on the MAP Assessment (NWEA's Measure of Academic Progress) will be a primary tool for identification for students in grades 1 thru 8. Additionally, information from parent surveys and teacher surveys is

considered valuable screening information. All information necessary for completing the needs assessment report is housed at each school.

Parents Right-To-Know

In accordance with ESEA Section 1111(h)(6) *PARENTS RIGHT-TO-KNOW*, Northview School is notifying every parent of a student in a Title I school that you have the right and may request information regarding the professional qualifications of your child's classroom teacher. This information regarding the professional qualifications of your child's classroom teachers includes, at a minimum, the following:

1. Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
2. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.
3. The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
4. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If at any time your child has been taught for 4 or more consecutive weeks by a teacher not highly qualified, the school will notify you.

Student Selection Criteria

Student selection may be based on any or all of the following multiple criteria: student characteristics, current student data, previous participation in Title programming, and other additional pertinent information such as teacher recommendation or standardized test scores. Copies or samples of these documents are housed at Northview School.

With children in Kindergarten, pre-school screening data and/or previous pre-school evaluation material may aid in the student selection process. In grades K through 8, special attention may/will be given to teacher referrals in conjunction with student performance on AIMSweb, Fountas and Pinnell, classroom assessments, and MAP scores of the student recommended for services. Teacher referrals and behavioral characteristics may be utilized as criteria for student inclusion in Title I Programming when no test scores are available.

Parental Involvement

In conjunction with the Title I programming, Peru Elementary Schools has the expectation of parental involvement and support for the instruction provided. Attendance at parent meetings, individual conferences, notes, phone contacts, aiding students in completing homework and class assignments and providing quiet time at home for studies are examples of some of the ways in which Peru personnel count on parents for support in their efforts. Peru staff will put forth consistent effort to foster meaningful communication between home and school. Parents are expected to participate in their child's education. This Handbook acts as a guide and a resource for both parents and teachers.

Appropriate parent meetings will be scheduled at least twice a year to inform and educate parents about the Title I Program and its guidelines. Additionally, parents will be informed of children's progress through written trimester reports, conferences with teachers, and phone conversations. Copies of students' records of performance will be housed at the appropriate school.

Copies of newsletters, newspaper articles, and other data disseminating information will be provided to encourage parental awareness of Title I Program. Copies of these will be housed at each school. Peru administration will oversee the parental component of the Title I program as it is carried out by the instructors. If the need arises, copies of all Title I reports and articles will be provided in an alternate language. (i.e. Spanish).

Assessment surveys will provide feedback regarding the progress and success of the Title I Program from both parent and teachers. Sample copies and reports of the surveys conducted will be housed at Northview School.

Program Improvement and Evaluation

Local evaluation of Title I programming is an ongoing process. The Title I instructors may conduct pre and post test assessments on individual students. (Most often student progress is measured from the beginning of the year to the end of the year.) The assessment/evaluation of Title I students in Kindergarten will be a combination of observations, local benchmarking using the Fountas and Pinnell Assessment, and students' knowledge of letters and sounds on Aimsweb. The Title I teachers are also responsible for gathering all information pertinent to effective evaluation of student progress while enrolled in the program. Instruments such as AIMSweb, Fountas and Pinnell, Math Concepts and Application (CAP), Math Computation, and MAP will assist in assessing decoding skills, fluency, and comprehension.

In addition, the sustained effects study on student progress is ongoing, providing further information pertaining to continued improvement activities within the Peru Elementary School District.

AIMSweb Test of Early Literacy (which assesses letter naming fluency, letter sound fluency), Aimsweb Test of Early Numeracy, Spelling, MAZE, Math will be administered up to three times a year in grades K through 8 to students who are in need of Tier 2 or Tier 3 interventions. AIMSweb assessments which target comprehension and fluency (R-CBM) will also be administered three times during the school year to aid in tracking student growth in grades 1-8. Fountas and Pinnell Benchmarking is used at grades K-1 for letter and sound ID. The Fountas and Pinnell text leveling system is also used at grades K-4 for students reading comprehension and fluency. The MAP Assessment will be given to students 2 times per year in grades 1-8. Students are assessed in Math and Language Arts using the MAP Assessment.

Program Quality

Peru Elementary Schools makes every effort to provide documentation of the quality of this Title I Program. Examples of this documentation may include any of the following:

- 1) Journal of minutes for planning meetings with teachers, parents, and

administration are kept and housed in individual buildings.

2) Notes and records from conferences attended by those associated with Title I Program will be kept and housed in the instructor's classrooms.

3) Desired outcomes as outlined on the Title I application under program goals and objectives represent broad program goals. Specific goals and objectives for students enrolled in Title I Programming can be found outlined in the teacher's lesson plans.

4) Title I instructors maintain individual student progress folders which are housed in the Title I classrooms. Additional evidence of students' progress toward achieving desired outcomes may be reflected in regular classroom progress reports and quarterly report cards.

5) Spring referrals are filled out by teachers in order to identify potential students for the coming school year.

BULLYING/HARASSMENT

No person, including a District employee or agent, or student, shall harass or intimidate another student based upon a student's sex, color, race, religion, creed, ancestry, national origin, physical or mental disability, sexual orientation, or other protected group status. The District will not tolerate harassing or intimidating conduct, whether verbal, physical, or visual, that affects tangible benefits of education, that unreasonably interferes with a student's educational performance, or that creates an intimidating, hostile, or offensive educational environment. Examples of prohibited conduct include name-calling, using derogatory slurs, or wearing or possessing items depicting or implying hatred or prejudice of one of the characteristics stated above. (Board Policy 7:20)

Bullying

Peru Elementary School will provide all students with a safe school environment that facilitates learning. Using any form or type of aggressive behavior that does physical or psychological harm to someone else and/or disrupts the learning environment and/or urges students to engage in such conduct is prohibited. Peru Elementary Schools will seek to prevent such incidents and will investigate and take corrective actions for violations of this policy. Further, retaliation against those who seek remedies under this policy is prohibited and will be punished under the Code of Student Conduct published in the Student Handbook.

Definition and Examples

Bullying is defined as any kind of **ongoing and/or severe or pervasive physical or verbal mistreatment where there may be an imbalance of power. A power difference usually exists between the bully and the victim.** Aggressive behavior or bullying is any behavior that may subject a student to insults, taunts or challenges whether verbal or physical in nature (either isolated or repeated behavior), which are likely to intimidate and/or provoke a violent or disorderly response from the student being treated in this matter. Bullying also includes cyber-bullying (bullying through the use of technology or any electronic communication).

The main types of aggressive behaviors may be but are not limited to:

Physical: hitting, kicking, grabbing, spitting, giving wedgies, etc.

Verbal: name calling, racist remarks, put-downs, extortion, etc.

Indirect: spreading rumors, wearing or possessing items depicting or implying hatred or prejudice, exclusion from peer group, taking and hiding/destroying other's papers, and/or possessions, etc.

Written: threatening e-mail, notes, text messages (this is called cyber-bullying) and/or graffiti, etc.

Grounds for disciplinary action may apply whenever the student's prohibited aggressive behavior is reasonably related to school or school activities, including but not limited to:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a nonschool-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the school district or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school.

Reporting Procedures

Students are encouraged to immediately report bullying. Any faculty and staff member or student of Peru Elementary Schools who has witnessed or has reliable information that a pupil or staff member has been subjected to “bullying,” as defined above, or a person in the above categories who has experienced the aggressive behavior/bullying, **shall report** such incident to the principal or designee. A report may be made orally or in writing to any staff member with whom the student, faculty/staff, or parent is comfortable speaking. Confidentiality to the fullest extent possible will be observed at all stages of the investigation and for any hearings that take place. A student will not be punished for reporting bullying or supplying information, even if the school’s investigation concludes that no bullying occurred. However, knowingly making a false accusation or providing knowingly false information will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions. Further, retaliation against those who seek remedies is prohibited. (P.A. 92-0260, amending 105ILCS5/10-20.14)

Sexual Harassment

Sexual harassment of students is prohibited. Any person, including a district employee or agent, or student, engages in sexual harassment whenever he or she makes sexual advances, requests sexual favors, and engages in other verbal or physical conduct of a sexual or sex-based nature, imposed on the basis of sex, that:

1. denies or limits the provision of educational aid, benefits, services, or treatment; or that makes such conduct a condition of a student’s academic status; or
2. has the purpose or effect of:
 - a. substantially interfering with a student’s educational environment;
 - b. creating an intimidating, hostile, or offensive educational environment;
 - c. depriving a student of educational aid, benefits, services, or treatment; or
 - d. making submission to or rejection of such conduct the basis for academic decisions affecting a student.

The terms “intimidating,” “hostile,” and “offensive” include conduct that has the effect of humiliation, embarrassment, or discomfort. Examples of sexual harassment include touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, and spreading rumors related to a person’s alleged sexual activities. (Board Policy 7:20)

BUS/TRANSPORTATION

The District shall provide free transportation for all students living in the District if the students are: (1) residing at a distance of one and one-half miles or more from their assigned schools, or (2) residing within one and one-half miles from their assigned schools where walking to school or to a pick – up point or bus stop would constitute a serious hazard due to vehicular traffic or rail crossing, and adequate public transportation is not available. (Board Policy 4:110)

Riding Expectations

While students are on the bus, they are under the supervision of the bus driver. In most cases, bus discipline problems can be handled by the bus driver. In the case of a written disciplinary referral, student bus problems will be investigated and handled by the building principal.

Students are expected to follow all school rules while on the bus. Students may be suspended from riding the school bus for up to 10 consecutive school days for violating

school rules or for engaging in other gross disobedience or misconduct. The school board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons. The district's regular suspension procedures shall be used to suspend a student's privilege to ride a school bus.

A student who is suspended from riding the school bus and who does not have alternative transportation to school shall be allowed the opportunity to make up all missed work for equivalent academic credit. It is the responsibility of the student's parent or guardian to notify the school that the student does not have alternative transportation to school.

In the interest of the student's safety and in compliance with State law, students are also expected to observe the following:

1. Dress properly for the weather. Make sure all drawstrings, ties, straps, etc. on all clothing, backpacks and other items, are shortened or removed to lessen the likelihood of them getting caught in bus doors, railings or aisles.
2. Arrive on time at the bus stop, and stay away from the street while waiting for the bus. Follow all school rules at the bus stop.
3. Stay away from the bus until it stops completely and the driver signals you to board. Enter in single file without pushing. Always use the handrail.
4. Take your assigned seat right away and remain seated facing forward. Keep your hands, arms, and head inside the bus.
5. Talk quietly on the bus. No shouting or creating loud noises that may distract the driver. Tablets, iPods®, iPads®, smart phones, Smart watches, and other electronic devices must be silenced on the bus unless a student uses headphones.
6. Help keep the bus neat and clean. Keep belongings out of the aisle and away from emergency exits. Eating and drinking are not allowed on the bus.
7. Always listen to the driver's instructions. Be courteous to the driver and other students. Sit with your hands to yourself and avoid making noises that would distract the driver or bother other passengers.
8. Wait until the bus pulls to a complete stop before standing up. Use the handrail when exiting the bus.
9. Stay out of the danger zone next to the bus where the driver may have difficulty seeing you. Take five giant steps away from the bus and out of the danger zone, until you can see the driver and the driver sees you. Never crawl under a bus.
10. If you must cross the street after you get off the bus, wait for the driver's signal and then cross in front of the bus. Cross the street only after checking both ways for traffic.
11. Never run back to the bus, even if you dropped or forgot something.

Bus Discipline

Students are expected to follow all school rules when riding the school bus and waiting at bus stops. A student may be suspended from riding the bus for up to 10 consecutive school days for engaging in gross disobedience or misconduct, including but not limited to, the following (Board Policy 7.220):

1. Violating any school rule or school district policy.
2. Willful injury or threat of injury to a bus driver or to another rider.
3. Willful and/or repeated defacement of the bus.
4. Repeated use of profanity.
5. Repeated willful disobedience of a directive from a bus driver or other supervisor.
6. Such other behavior as the building principal deems to threaten the safe operation of the bus and/or its occupants.

First Referral: Administrator conference with student and phone contact to parent/guardian.

Second Referral: Up to two (2) day suspension from bus and parent contact.

Third Referral: Up to five (5) day suspension from bus and parent contact.

Fourth Referral: Up to ten (10) day suspension from bus and parent contact.

Fifth Referral: Suspension from bus for the remainder of the school term.

Consequences accumulate over each trimester.

Video cameras may be active on buses to record student conduct and may be used for the purposes of investigation into misconduct or accidents on the bus. (Board Policy 7:220)

Bus Stops

Bus transportation is available to students who live in Peru in the pre-determined bus zones. Parents must, at the beginning of the school year, select one bus stop at which a student is to be picked up and dropped off. This stop can be at home, a relative's home, a babysitter, or day care; as long as the bus stop is on the assigned route. Changes to existing bus stops during the year can still be requested by calling the school office. Students are not permitted to ride a bus other than the bus to which they are assigned. Exceptions must be approved in advance by the building principal. Parents of children in Preschool, Kindergarten, and 1st grade must be present at the bus stop at all times. Students in these grades will not be dropped off at the bus stop if a parent or adult responsible for the child is not present.

DISCIPLINE POLICY & PROCEDURE

P.B.I.S. (Positive Behavior Interventions and Supports)

The staff in Peru Elementary School District #124 has implemented a discipline system to promote appropriate student behaviors through direct instruction of those behaviors, and positive rewards for students who correctly demonstrate those behaviors on a regular basis. Through the system we hope to focus more on encouraging students to behave correctly, with the anticipated result that only a few students will need to have consequences or be disciplined for doing otherwise. Rewards will include frequent verbal praise, awarding of tickets which may be redeemed for small prizes, occasional classroom parties or special activities for achieving group goals, as well as some school-wide celebrations. Throughout the year, the staff will continue to re-teach and reinforce the expected school-wide behaviors. Those students who are unsuccessful following our school-wide efforts to teach appropriate behaviors may be referred to the Problem Solving Team* (P.S.T.) for intervention and support.

*The Problem Solving Team consists of a group of teachers, the school social worker and psychologist. Their role is to meet with the classroom teacher to help develop goals and interventions for students that are not succeeding either behaviorally or academically.

Expectations

To better communicate general behavior expectations for all students at Peru Elementary, we have decided to unify our expectations throughout the buildings. School-wide expectations for behavior will be clearly communicated to the students throughout the school year. The simple system involves only three basic expectations for ALL students, regardless of age or grade level. These three school-wide expectations can be applied to any situation/location within our school and bus, as the following chart demonstrates. Please go over these expectations with your child.

School-wide Expectations
<ul style="list-style-type: none">▪ BE RESPECTFUL▪ BE RESPONSIBLE▪ BE SAFE

The Peru Elementary staff will encourage students to display appropriate levels of behavior to meet these expectations throughout the building. Time will be spent to explain and teach these expectations to all students. The expectations are designed to make all students feel safe and to establish the best possible learning environment.

Tier 2 Behavior Interventions:

Students who are not successful with the standard PBIS classroom and school behavior program (Tier 1); will be offered the opportunity to participate in Tier 2 Behavior Interventions. The Tier 2 Behavioral Intervention that will be used during the 2018-19 school year is what is called CICO (Check In Check Out).

CICO (Check In Check Out) is a positive approach to checking in with students as they arrive and before they leave school each day. Students are selected to be in a “check in check out” group to help support the behavioral choices they make and to build positive relationships with an adult at school. A Daily Progress Report (DPR) will be sent home daily for any students in the CICO program.

How can parents play a role in the success of CICO?

- Check the Daily Progress Report (DPR) daily.
- Talk to your child about their day.
- Praise your child for what he/she did well.
- If your child had some struggles, talk to/ model/ role play with your child respectful, responsible, and safe behavior.
- Provide encouragement to your child to try their best tomorrow.
- Sign the DPR sheet and return it to school the next day.
- Provide rewards or consequences (as appropriate).

Social/Academic Instructional Groups (SAIG)

SAIG groups are another Tier II intervention that may be part of a student's day. SAIG groups are small instructional skill groups for direct instruction and structured practice of replacement behaviors. There are three basic SAIG group types: 1) Problem-solving: replacement behavior for fighting/arguing, impulsiveness, etc., 2) Pro-social skills: replacement behaviors for avoidance, withdrawal, etc., and 3) Academic behaviors: replacement behaviors for calling out, getting out of seat, behaviors related to homework, organization, etc

General Misconduct (Board Policy 7:190)

Warning, loss of privilege, after – school detention, or suspension may be imposed for student disobedience or misconduct. The consequence will be determined by the administrator and will be based both on the behavior and the number of previous referrals. Generally, the student consequences will be progressive in nature.

The following are examples of misconduct which most often call for progressive discipline, however, repeated or extreme acts of misconduct may result in suspension or a recommendation for expulsion:

Being in an unauthorized area, cheating, disruptive behavior, horseplay (use of physical contact), lying, refusal to follow directions, refusal to identify self, skipping detention, throwing snowballs, minor property damage.

Student conduct that for any reason disrupts class work or involves substantial disorder or invades the rights of others will not be tolerated. The following are examples of inappropriate behaviors that will require some disciplinary actions:

1. Fighting and or/physical aggression
2. Stealing
3. Cheating
4. Foul language and/or other written or verbal language deemed inappropriate for the school setting.
5. Use of obscene gestures
6. Rowdy or boisterous conduct
7. Open defiance or disrespect to school personnel
8. Intentional destruction of property
9. Throwing any object or material with the intent to harm or annoy
10. Openly disobeying established school playground rules
11. Harassment of others
12. Leaving supervised areas without permission

When and Where Conduct Rules Apply

The grounds for disciplinary action also apply whenever the student's conduct is reasonably related to school or school activities, including but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;

3. Traveling to or from school or a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Prohibited Student Conduct

Students may be disciplined for gross disobedience or misconduct, including but not limited to the following: Gang activity, bomb threat, fighting, intimidation, sexual harassment, verbal abuse of students, use of any item as a weapon, theft or vandalism (parent will make restitution), verbal threat or physical attack of school personnel or students.

The following list of infractions will result in an automatic suspension:

1. Possession or use of a firearm or other dangerous weapon (such as pocket knives, look alike and other related items).
2. Striking or threatening to strike any staff or another student.
3. Possession or use of fireworks or other explosives.
4. Possession or use of tobacco, including vaping paraphernalia and vaping liquids
5. Possession or use of alcohol, drugs, look-alike drugs, inhalants, or pepper spray.
6. Slander, libel, obscenity, or profanity.
7. Setting false fire alarms or calling 911.
8. Misuse of technology/electronic equipment.
9. Bullying, harassment, or intimidation.
10. Theft or damage to school or personal property.
11. Gang activity or involvement.
12. Cyber-bullying, including use of social media that disrupts the educational environment
13. Researching, drawing, gesturing, or otherwise promoting school-inappropriate materials such as drugs, weapons, pornography, etc.

For purposes of these rules, the term “possession” includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student’s person; (b) contained in another item belonging to, or under the control of, the student, such as in the student’s clothing, backpack, or automobile; (c) in a school’s student locker, desk, or other school property; (d) at any location on school property or at a school-sponsored event; or (e) in the case of drugs and alcohol, substances ingested by the person.

Efforts, including the use of positive interventions and supports shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else.

Any other similar behavior which may disrupt the normal operations of the school district or endangers the health or safety of others will be addressed. Nothing herein shall be interpreted to limit the Superintendent or Building Principal’s power to suspend a student.

Reporting an Incident

The safety and security of our students and staff remains a top priority. As such, we strongly encourage anyone with information to report a potential incident involving the safety, security or welfare of our students, staff or property (confirmed or not) to the administration or a staff member as soon as possible. This can be done in person, with a phone call, by mail, by email or in writing.

Vandalism

The Board will seek restitution from students and their parent(s)/guardian(s) for vandalism or other student acts which cause damage to school property. (Board Policy 7:170)

Weapons Prohibition

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of not less than one year but not more than 2 calendar years:

- (1) A firearm, meaning any gun, rifle, shotgun, weapon as defined by Section 921 of Title 18 of the United States Code, firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act, or firearm as defined in Section 24-1 of the Criminal Code of 1961. The expulsion period may be modified by the superintendent, and the superintendent's determination may be modified by the board on a case-by-case basis.
- (2) A knife, brass knuckles or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including "look alikes" of any firearm as defined above.

The expulsion requirement may be modified by the superintendent, and the superintendent's determination may be modified by the board on a case-by-case basis.

Gang & Gang Activity Prohibited

"Gang" is defined as any group, club or organization of two or more persons whose purposes include the commission of illegal acts. No student on or about school property or at any school activity or whenever the student's conduct is reasonably related to a school activity, shall: (1) wear, possess, use, distribute, display, or sell any clothing, jewelry, paraphernalia or other items which reasonably could be regarded as gang symbols; commit any act or omission, or use either verbal or non-verbal gestures, or handshakes showing membership or affiliation in a gang; or (2) use any speech or commit any act or omission in furtherance of the interest of any gang or gang activity, including, but not limited to, soliciting others for membership in any gangs; (3) request any person to pay for protection or otherwise intimidate, harass or threaten any person; (4) commit any other illegal act or other violation of district policies, (5) or incite other students to act with physical violence upon any other person.

Re-Engagement of Returning Students

The building principal or designee shall meet with a student returning to school from an out-of-school suspension, expulsion or alternative school setting. The goal of this meeting shall be to support the student's ability to be successful in school following a period of exclusion and shall include an opportunity for students who have been suspended to complete or make-up missed work for equivalent academic credit.

Discipline of Students with Disabilities

Behavioral Interventions

Behavioral interventions shall be used with students with disabilities to promote and strengthen desirable behaviors and reduce identified inappropriate behaviors. The School Board will establish and maintain a committee to develop, implement, and monitor procedures on the use of behavioral interventions for children with disabilities.

Discipline of Special Education Students

The District shall comply with the Individuals With Disabilities Education Improvement Act of 2004 and the Illinois State Board of Education's *Special Education* rules when disciplining special education students. No special education student shall be expelled if the student's particular act of gross disobedience or misconduct is a manifestation of his or her disability. (Board Policy 7:230)

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. Research has shown that the **restorative justice** techniques, such as social emotional interventions, counseling, peer conflict resolution, and parent meetings are more effective in repairing the harm that was done and reducing repeat offenses. School personnel shall not advise or encourage students to drop out of school voluntarily due to behavioral or academic difficulties. In the event that a student's behavior becomes a threat to the safety and well-being of him/herself or others, a crisis response team consisting of administrators, teachers, and support staff may be called upon to use isolated time out or physical restraint. The response team is trained annually in non-violent crisis prevention and intervention (CPI) and will only be used as a means of maintaining a safe and orderly educational environment for students and staff. No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

Potential disciplinary measures include, without limitation, any of the following measures:

1. Notifying parents/guardians.
2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen or damaged property.
6. Completion of appropriate behavioral or social emotional intervention curriculum.
7. In-school suspension for a period not to exceed 5 school days. The building principal or designee shall ensure that the student is properly supervised.
8. After-school study or Saturday study provided the student's parent/guardian has been notified. (If transportation arrangements cannot be made in advance, an alternative disciplinary measure will be assigned to the student.)
9. Community service.
10. Seizure of contraband; confiscation and temporary retention of the personal property that was used to violate school rules.
11. Suspension of bus riding privileges.

12. Out-of-school suspension from school and all school activities for up to 10 days. A suspended student is prohibited from being on school grounds and at all school related activities.
12. Expulsion from school and all school activities for a definite time period not to exceed 2 calendar years. An expelled student is prohibited from being on school grounds and at all school related activities.
13. Transfer to an alternative program if the student is expelled or otherwise qualifies for transfer under State law.
14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, such as, illegal drugs (controlled substances), "look-alikes," harassment through electronic means, alcohol or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension or expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

Detentions

A detention system may be used as a deterrent to unacceptable behavior. If a staff member is reasonably certain a rule has been violated, he/she may discuss that behavior with the student and/or report the incident to the office. The principal may then assign an after school detention for the student to serve. Parent/student will be given 24 hour notice, unless the parent is contacted and grants permission to stay the same day. This will be followed by a notice sent home with the child or sent in the mail. If and when a student receives several detentions, a conference may be required between the parent/guardian and the principal.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over age 18 ("eligible students") the following rights with respect to the student's education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the District receives a request for access. A parent/guardian or eligible student should submit to the building principal written requests that identify the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent/guardian or eligible student believes is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent/guardian or eligible student of the decision and advise them of their right to a hearing regarding the request for the amendment.
3. The right to consent to disclosures of personally identifiable information contained in the student's education record. One exception which permits disclosure without consent is

disclosure to school officials with legitimate educational interests. A school official is a person employed by the District in an administrative, supervisory, academic, or support staff position (including health staff and law enforcement unit personnel); a person serving on the Board of Education; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, or collection agent); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities. Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, S.W.

HEALTH AND WELL BEING

The district nurse, Mrs. Karen Miranda, splits her time between Northview and Parkside Schools. She may be reached at 815-223-1111 or by e-mail kmiranda@perued.net. The nurse also offers a site found on the district's homepage, www.perued.net. The site provides a variety of school-health related items. Parents are asked to make sure they share any health concerns with the school nurse and the classroom teacher.

When should I keep my child home because of illness?

When your child complains of being sick and has symptoms like sore throat, head cold, diarrhea, vomiting, or has had a fever greater than 100.0°F, in the last 24 hours, your child should remain at home. Keeping your child home when he or she is sick will permit your child time to recover and reduce the spread of illness to others. Please call and inform the school when your child is absent due to illness. If your child needs a dose of medication for the above symptoms in the morning, they need to stay at home. PLEASE DO NOT send your child after having had a dose of Tylenol (acetaminophen) or Motrin (ibuprofen) in the morning. The effects will wear off during the school day and the fever will return. A more difficult call is when your child complains of being sick in the morning, but you do not see any symptoms. You will then need to use your best judgment.

When my child has been home sick, when can he or she return to school?

Once the symptoms have stopped and the child is fever-free (temperature less than 100.0 degree F) for 24 hours without the use of medication, your child may return to school. If your child has had a fever the evening or night before, please do not send him/her back to school in the morning even if the temperature is down first thing in the morning. Often early morning

temperatures are a degree or two below what it will be by afternoon. Children need to be symptom free of fever, diarrhea, and/or vomiting for 24 hours before returning to school. Your child is well enough to return to school when he/she can tolerate normal activity and a normal diet.

Asthma

Updates to Illinois law now require students with a diagnosis of asthma to submit an asthma action plan to their child's school. This action plan outlines how the school responds to the child's asthma attacks.

Parents are encouraged to discuss this with their healthcare provider and complete an asthma action plan with the assistance of their healthcare provider. Asthma action plans should be submitted to the school nurse and will be kept on file in the nurse's office.

Medication

Any medication including over-the-counter cold medications (such as cough drops, aspirin, Tylenol, vitamin supplements, etc.) required for a student is encouraged to be administered outside of the school day. The school nurse will distribute medications to those students requiring medication during the school day. In order for students to receive their medication in an efficient manner, these guidelines must be followed:

1. **ALL MEDICATION IS TO BE TRANSPORTED TO AND FROM SCHOOL BY AN ADULT.** No student is to transport or have medications in his/her possession.
2. Before any medication can be given at school a medication authorization form must be completed and signed by the prescribing physician and the parent/guardian; this includes prescription and over the counter medications (such as cough drops, Tylenol, Motrin, etc.). You can find this form on www.perued.net and print a form from home.
3. Prescription medications are to be in the original container with the student's name, medication name, dosage, physician's name and pharmacy name.
4. Over-the-counter medication must be in the original container with the student's name written on the container. All medications shall be stored in an appropriate locked cabinet.
5. Students in grades K- 4 will be addressed on a case by case basis to determine if they meet conditions for self- administration of inhalers.
6. All medication forms must be renewed at the beginning of each school year.
7. Short-term antibiotics prescribed to be given three times a day or less should be given at home. Example: a medication ordered three times a day should be given at home before school, after school and before bed. This allows for the doses to be spread out over the longest time period possible when the child is awake.
8. Students are generally not allowed to self-medicate. Exceptions to this may include students needing asthma medications, or epi pens for allergic reactions to bee stings and/or food allergies. A Self Administration of Medication Form will need to be filled out by the parent and a copy of the prescription label will be kept in the nurse's office.
9. The parent or guardian is responsible for picking up extra medication at the end of treatment and/or school year. Medications left at the end of the school year will be disposed of properly by the school.

Head Lice

The goal of Peru Elementary District #124 is to keep students in the classroom as long as medically safe. Peru Elementary District #124 follows the guidelines of the American

Academy of Pediatrics, the CDC and LaSalle County School Health Services. Head lice do not transmit disease or illness. They cannot fly or jump. Research has shown that transmission in schools is extremely rare. Prolonged direct head to head contact or sharing of personal items (hats, combs, pillows, etc) is required for transmission. Parents should regularly check their child's head for evidence of head lice (live crawling bugs). If you discover your child has head lice, please use a prescribed treatment to treat them, not a home remedy. Students suspicious of having head lice will be sent to the office for evaluation by the nurse or designee. The subsequent steps will then be followed:

1. A thorough inspection for live lice and nits will be completed.
2. If live (crawling) lice are noted, the parent/ guardian will be notified immediately by phone. Parents may pick up the student at that time to begin treatment or they can go home at the end of the day.
3. Once appropriate treatment has been started with a product specifically made to treat lice, and the hair has been mechanically combed with a nit comb to remove lice and the majority of nits (eggs), your child should return to school.
4. Children who have had head lice are escorted to school by a parent/guardian to be re-screened before they are allowed back into class. If live lice are still present upon examination for reentry, the child will be sent home at that time for thorough removal. Children who have had head lice will be automatically re-screened in 7-10 days for the return of head lice.
5. To prevent re-infestation your child should be retreated in 7-10 days.
6. Any child found to have recurrent or untreated head lice or excessive nits (eggs) may be excluded from the classroom until treatment is complete.

Infection Control

The following infection control measures are to be followed in order to reduce the likelihood of the spread of skin infections: All skin infections (including any poison ivy, oak, or sumac) or any open wounds must be covered with a clean, dry dressing (example: bandage) to contain the drainage. Keeping the wound covered will help control the spread of potentially infectious drainage to others and can also protect the student with the wound from further infection while at school. (Guidelines from IDPH)

Student Concussion and Head Injuries

Students must comply with Illinois' Youth Sports Concussion Safety Act and all protocols, policies and bylaws of the Illinois Elementary School Association before being allowed to participate in any athletic activity, including practice or competition.

A student who was removed from practice or competition because of a suspected concussion shall be allowed to return only after all statutory prerequisites are completed, including without limitation, the School District's return-to-play and return-to-learn protocols. (Board Policy 7:305)

Suicide and Depression Awareness and Prevention

Youth suicide impacts the safety of the school environment. It also affects the school community, diminishing the ability of surviving students to learn and the school's ability to educate. Suicide and depression awareness and prevention are important goals of the school district.

The school district maintains student and parent resources on suicide and depression awareness and prevention. Much of this information, including a copy of school district's policy, is posted on the school district website. Information can also be obtained from the school office. (Board Policy 7:290)

Vision and Hearing Screenings

Hearing screenings will be done annually for all school age children who are in PreK through 3rd grade. Vision screenings will be done annually for all school age children who are in grades PreK, K, 2, and 8. Hearing and vision screening are conducted for any special education students, teacher referral, and/or transfer students. In lieu of the screening services a completed and signed report form, indicating that the child has had an ear or vision test by a physician, audiologist, or a licensed optometrist within the previous 12 months is acceptable.

A parent or legal guardian of a student may object to hearing and vision screenings on religious grounds. If a religious objection is made, a written and signed statement from the parent or legal guardian detailing such objections must be presented to the local school authority. General philosophical or moral reluctance to allow hearing and vision screening will not provide a sufficient basis for an exception to statutory requirements.

RECIPROCAL REPORTING ACT

PA 88 – 376 addresses violence and criminal activities in school.

- 1) Each school district shall designate a person to communicate with local law enforcement agencies.
- 2) The school and law enforcement designees will meet as needed to share information.
- 3) The school designee will report all activities occurring on school property, off school grounds, or against school personnel.
- 4) The State's Attorney will provide the school with a copy of any delinquency dispositional order involving weapons offenses.
- 5) Local law enforcement will notify school designee of all arrests related to but not limited to weapons, criminal gang activity, and drugs. Notice of all convictions will be made if the record involved a student who is arrested or taken into custody after his or her 17th birthday.

SEARCH AND SEIZURE

To maintain order and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. School officials may conduct a search of a student if there is reasonable cause to believe that a search is necessary in the aid of maintaining school discipline. A second school employee of the same sex of the student will be present as a witness.

School Property and Equipment as well as Personal Effects Left There by Students

School authorities may inspect and search school property and equipment owned or controlled by the school (such as lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

The Superintendent may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

Students

School authorities may search a student and/or the student's personal effects in the student's possession (such as purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is reasonable grounds for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the District's student conduct rules. The

search itself must be conducted in a manner that is reasonably related to its objectives and not excessively intrusive in light of the student's age and sex and the nature of the infraction.

When feasible, the search should be conducted as follows:

- outside the view of others, including students;
- in the presence of a school administrator or adult witness; and
- by a certificated employee or liaison police officer of the same sex as the student.

Immediately following a search, a written report shall be made by the school authority who conducted the search, and given to the Superintendent.

Seizure of Property

If a search produces evidence that the student has violated or is violating either the law or the District's policies or rules, such evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, such evidence may be transferred to law enforcement authorities. (Board Policy 7:140)

STUDENT RECORDS

School student records are confidential and information from them shall not be released other than as provided by law. (Board Policy 7:340)

Permanent Record

The student's permanent record includes a copy of the birth certificate, basic identifying information, attendance record, accident reports and health records, dates of enrollment, copies of report cards, and a record of release of permanent record information.

Temporary Record

Temporary records include achievement test scores, school ability index scores, discipline records, special education information, and all other information not included in the permanent record.

Maintenance of Records

Parents desiring to review records may call the office for an appointment or submit a written request to the principal. A review shall be in the presence of the school principal or principal's designee. Student records may be available, without parent permission, to certain state and local officials who are a part of a juvenile justice system established by state law. The disclosure must relate to the system's ability to effectively serve, prior to adjudication. (105ILCS 5/10-20.14) Schools are not required to notify parents or students of the existence of a subpoena for student records. (Illinois School Student Records Act, Section 6, 105 ILCS 10/6). Parents may have copies of any portion of the records at 10 cents per copy.

Transfer of Student Records

The school will send an unofficial record of student grades, a copy of the student's Illinois school physical, and a Student in Good Standing form with the student at the time of withdrawal. A transfer of all student permanent records will be sent when the school is provided with the name and address of the receiving school or when a request for records is received from the receiving school.

A parent may not challenge grades which are on the permanent record, any references to expulsion, or out of school suspension; if the challenge is made after the student transfers to another school.

Acceptable Use Policy for Students Electronic Network, Internet and Technology Equipment Access Peru Elementary School District 124

Approved 6-15-16

Acceptable Use Policy Statement of Understanding and Authorization

Each student's parent/guardian must sign the Peru Elementary School District 124 Acceptable Use Policy Statement of Understanding and Authorization as a condition for using the electronic network, Internet and technology equipment throughout the district. The signature(s) at the end of this document are legally binding and indicates the signer has read and fully understand the terms and conditions of this policy. The failure of any user to follow these policies will result in the loss of privileges, disciplinary action, and/or appropriate legal action.

Introduction

All student access and use of the electronic network, Internet and technology equipment must be consistent with the District's goal of promoting educational excellence. This policy is intended to cover all available school technologies, including but not limited to networks, Wi-Fi, computers, mobile devices, email, the cloud, the Internet and similar equipment, networks and access. This may include the use of personally-owned devices on the school campus.

Usage Guidelines

1. Acceptable Use - Access to the electronic network must be for the purpose of education and research related to school curriculum, assignments and/or assessments, and must also be consistent with the District's educational goals and objectives.

2. Privileges - The use of the electronic network is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges and may also include disciplinary action as outlined in Board of Education policy and the Student Handbook. The Superintendent or designee will make all decisions regarding whether or not a user has violated these procedures and the district may deny, revoke, or suspend student access at any time it deems this to be necessary for the safety and welfare of others.

3. Unacceptable Use - The user is responsible for his or her actions and activities involving the network. Some examples of unacceptable uses are:

- A. Using the network for any illegal activity, including violation of copyright or other contracts, or transmitting any material in violation of any State or federal law;
- B. Unauthorized downloading of software, regardless of whether it is copyrighted or de-virused;
- C. Downloading of copyrighted material for other than personal use;
- D. Using the network for private financial or commercial gain;
- E. Wastefully using resources, such as file space;
- F. Hacking or gaining unauthorized access to files, resources, or entities;
- G. Invading the privacy of individuals, that includes the unauthorized disclosure, dissemination, and use of information about anyone that is of a personal nature including a photograph;
- H. Using another user's account or password;
- I. Posting material authored or created by another without his/her consent;
- J. Posting anonymous messages;
- K. Using the network for commercial or private advertising;
- L. Accessing, submitting, posting, publishing, or displaying any defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, harassing, or illegal material, or is in any violation of any Board policy regarding misconduct, including but not limited to bullying, intimidation, harassment or threats.
- M. Using the network while access privileges are suspended or revoked.
- N. Using encrypted communication without prior approval.
- O. Deleting data, hiding, or attempting to interfere with the discovery of a violation of this policy.

- 4. Network Etiquette** - The user is expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to, the following:
- A. Be polite.
 - B. Use appropriate language. Do not swear, or use vulgarities or any other inappropriate language.
 - C. Do not reveal personal information, including the addresses or telephone numbers or social media accounts of the user, other or other students or people.
 - D. Recognize that email and social media accounts are not private. People who operate the system have access to all email. Messages relating to or in support of illegal activities may be reported to the authorities.
 - E. Do not use the network in any way that would disrupt its use by other users.
 - F. Consider all communications and information of other people to be private property.
- 5. No Warranties** - The District makes no warranties of any kind, whether expressed or implied, for the service it is providing. The District will not be responsible for any damages the user suffers. This includes loss of data resulting from delays, non-deliveries, missed deliveries or service interruptions. Use of any information obtained via the Internet is at the user's own risk. The District specifically denies any responsibility for the accuracy or quality of information obtained through its services or Internet. Further, the District does not take any responsibility for any information that may be lost, damaged, altered or unavailable when using its services or the Internet.
- 6. Indemnification** - The user agrees to indemnify the School District for any losses, costs, or damages, including reasonable attorney fees, incurred by the District relating to, or arising out of, any violation of this policy, including such incurred through copyright violation.
- 7. Security** - Network security is a high priority. If the user can identify a security problem in the network or on the Internet, the user must notify the system administrator or Building Principal. Do not demonstrate the problem to other users. Keep your account and password confidential. Do not use another individual's account without written permission from that individual. Attempts to log on to the Internet as a system administrator will result in cancellation of user privileges. Any user identified as a security risk may be denied access to the network and may face other disciplinary actions.
- 8. Vandalism** - Vandalism will result in cancellation of privileges and other disciplinary action. Vandalism is defined as any malicious attempt to harm or destroy the data of another user, the Internet, District web page or social media accounts, or any other network. This includes, but is not limited to, the uploading or creation of computer viruses.
- 9. Responsibility for Costs Incurred** - The District assumes no responsibility for any unauthorized charges or fees, including telephone charges, long-distance charges, per-minute surcharges, social media or application charges, download fees, bandwidth use and/or equipment or line costs. Any and all such unauthorized charges or fees shall be the responsibility of the user.
- 10. Copyright Web Publishing Rules** - Copyright law and District policy prohibit the re-publishing of text or graphics found on the web or on District websites or file servers without explicit written permission.
- A. For each re-publication of a graphic or a text file on a website, file server social media account or other that was produced externally, there must be a notice at the bottom of the page crediting the original producer and noting how and when permission was granted. If possible, the notice should also include the web address of the original source.
 - B. The absence of a copyright notice may not be interpreted as permission to copy the materials. Only the copyright owner may provide the permission in written form. The manager of the website displaying the material may not be considered a source of permission.
- 11. Use of Email** - The District's email system, and its constituent software, hardware, and data files, are owned and controlled by the District. The District provides email to aid students as a tool that is to be used for educational purposes only.

- A. The District reserves the right to access and disclose the contents of any account on its system, without prior notice or permission from the account's user. Unauthorized access by any student to an email account is strictly prohibited.
- B. Each person should use the same degree of care in drafting an email message as would be put into a written memorandum or document. Nothing should be transmitted in an email message that would be inappropriate in a letter or memorandum.
- C. Electronic messages transmitted via the District's Internet gateway carry with them an identification of the user's Internet domain. This domain is a registered name and identifies the author as being with the District. Great care should be taken, therefore, in the composition of such messages and how such messages might reflect on the name and reputation of the District. Users will be held personally responsible for the content of any and all email messages transmitted to external recipients.
- D. Any message received from an unknown sender via the Internet should either be immediately deleted or forwarded to the system administrator. Downloading any file attached to any Internet-based message is prohibited unless the user is certain of that message's authenticity and the nature of the file so transmitted.
- E. Use of the District's email system constitutes consent to these regulations.

12. Internet Safety

- A. Internet access is limited to only those acceptable uses as detailed in these procedures. Students may not engage in unacceptable uses, as detailed in these procedures.
- B. To ensure that the students abide by the terms and conditions for Internet access contained in this policy, the District will provide for the education of students about appropriate online behavior, including interacting with other individuals on social networking and cyberbullying awareness and response.
- C. The District provides Internet filtering that blocks entry to visual depictions that are (1) obscene, (2) pornographic, or (3) harmful or inappropriate for students, as defined by the Children's Internet Protection Act. While the district may employ filters to limit access to certain kinds of sites and to prevent unwanted or inappropriate materials from being accessed or transmitted, there is no guarantee that all objectionable material will be caught or filtered. Limiting this kind of material is the joint responsibility of all users accessing the District's network.
- D. An administrator or other authorized person may disable the filtering device for bona fide research or other lawful purpose, provided the person receives prior permission from the Superintendent or designee.

13. Off Campus Computer Use

Using a home-based or off-campus computer such that the use results in material and/or substantial disruption and/or threat at or to the school will constitute grounds to investigate whether the use violates applicable law or school rules. Should such misuse be determined, the student may receive disciplinary consequences appropriate for the frequency and severity of the violation.

14. Mobile Device Policy

The District may provide students or employees with mobile computers or other devices to promote learning outside of the classroom. Users must abide by this policy when using school devices outside of the school network. Users are expected to treat these devices with extreme care and caution. Users should immediately report any loss, damage, or malfunction to the Building Principal or appropriate staff. Users may be financially responsible for any damage resulting from negligence or misuse. Use of school-issued mobile devices off the school network may be monitored.

15. Social Media

The District may provide access to social media, blogs, Internet forums, wikis or similar online networks for the purpose of educational needs. Examples of social media include, but are not limited to, Facebook, Twitter, YouTube and Google+. Social media sites must be used only for educational and school related

purposes, in connection with lessons and assignments to facilitate communication with teachers and other students.

16. Due Process

The District will cooperate fully with local, state, or federal officials in any investigation correlating to any illegal activities conducted through the District's network. In the event there is an allegation that a user has violated the District Acceptable Use Policy, the person will be provided with a notice and opportunity to be heard in the manner set forth according to Board policy.

17. No Expectation of Privacy

Students have a limited expectation of privacy with regard to the contents of their network files, and online and/or network activity may be monitored while using the District's network. Routine maintenance and monitoring of the system may lead to discovery that the user has or is violating the District Acceptable Use Policy or other District policies.

Statement of Understanding and Authorization

On an annual basis, each student's parent/guardian must request through the Student Handbook Statement of Understanding that his/her child be allowed to use the Internet and the District's electronic network and technology equipment in accordance with all provisions of the District Technology Acceptable Use Policy as found in the Student Handbook.

The signature is legally binding and indicates the parent has read and fully understand the terms and conditions of this policy. The student's parent/guardian understands that the failure of any user to follow these policies will result in the loss of privileges, disciplinary action, and/or appropriate legal action, and that the District has taken precautions to eliminate controversial material.

By signing the Statement of Understanding, the student's parent/guardian agrees to release the School District and its Board members, employees, and agents from any claims and damages arising from the use of, or inability to use the District's electronic network, Internet and technology equipment, accepts full responsibility for supervision if and when his/her child's use is not in a school setting, and agrees to discuss the Acceptable Use Policy with his/her child.
