

Dear Families,

The Peru Education Foundation will be hosting its annual Trivia Night on March 10, 2018. This event will once again include raffles and a silent auction. Proceeds from this fundraiser event will directly benefit the students of Peru Public Schools through teacher grants funded by the Peru Education Foundation.

We have a big evening ahead of us, and we are asking for your help. Each grade level has been assigned a theme, and we are asking families who are able to donate items to contribute to the themed basket created by their child's grade. We would also gratefully accept monetary donations, which would be used to purchase additional items for baskets and/or wrap and ribbon to create the baskets.

We will begin accepting donations immediately, and will end our collection on Wednesday, February 28. Donations may be sent to your child's classroom.

Grade level themes follow:

Pre- K: "Princesses and Superheroes" (tiaras, wands, superhero items, dress-up costumes, etc.)

Kindergarten: "Those Crafty Kids"- (markers, foam shapes, stickers, glitter, paints, sketch pads, coloring books, sticker books, etc.)

1st Grade: "What a Green Thumb!" (garden tools, hose, gloves, pots, seeds, yard decorations, sun hat, DeBos, Home Depot, Menard's gift cards, etc.)
