

# WORLD DOWN SYNDROME DAY

## March 21st, 2019

**GRAB YOUR CRAZIEST PAIR OF SOCKS!!! Help Gigi, Evelyn and Lily celebrate World Down Syndrome Day on 3/21/2019!**

We are asking all area schools to help spread the word about World Down Syndrome Day! Why is March 21st World Down Syndrome Day? 3-21 represents Trisomy 21, the medical term for Down Syndrome, which is the third replication of the 21st chromosome.

Students may make a monetary donation and wear a pair of crazy socks!! By doing so you are reminding people that things that are different are still beautiful and wonderful!!! Different is Beautiful (it's okay to be different)!

Down Syndrome Awareness Bands also available for purchase for \$3. A large portion of proceeds will be donated to Horizon House and Lighted Way.
