### **IV. District Mission Statement**

Preparing our students to learn, grow and reach their greatest potential.

### **V. Our Beliefs and Values**

As part of its Strategic Plan, the Board of Education has adopted the following beliefs, which are weighed in planning, decision-making and in the employment and supervision of staff.

- ✓ Children are why we are here, and their education, safety and well-being must always come first.
- ✓ There is no replacement for high expectations, and we must expect our students to achieve to the best of their individual ability.
- ✓ All children can learn – even if not at the same pace or in the same way – and show constant growth.
- ✓ Reading, literacy and mathematics are the foundations of learning, academic excellence and are the keys to maximizing future success.
- ✓ Effective education is a partnership among schools, parents, families and our local community.
- ✓ Fiscal responsibility is critical to ensuring that we continue to provide our students with the highest quality educational programs and instruction.

### **VI. District Strategic Plan**

Every highly effective business and organization has a specific plan for continuous improvement and ongoing success and public schools should be no different. The Board of Education has adopted the detailed *Teaching for 2020: The 2017-2020 Strategic Plan* which can be located at [www.perued.net](http://www.perued.net) under District and District 124 Strategic Plan.

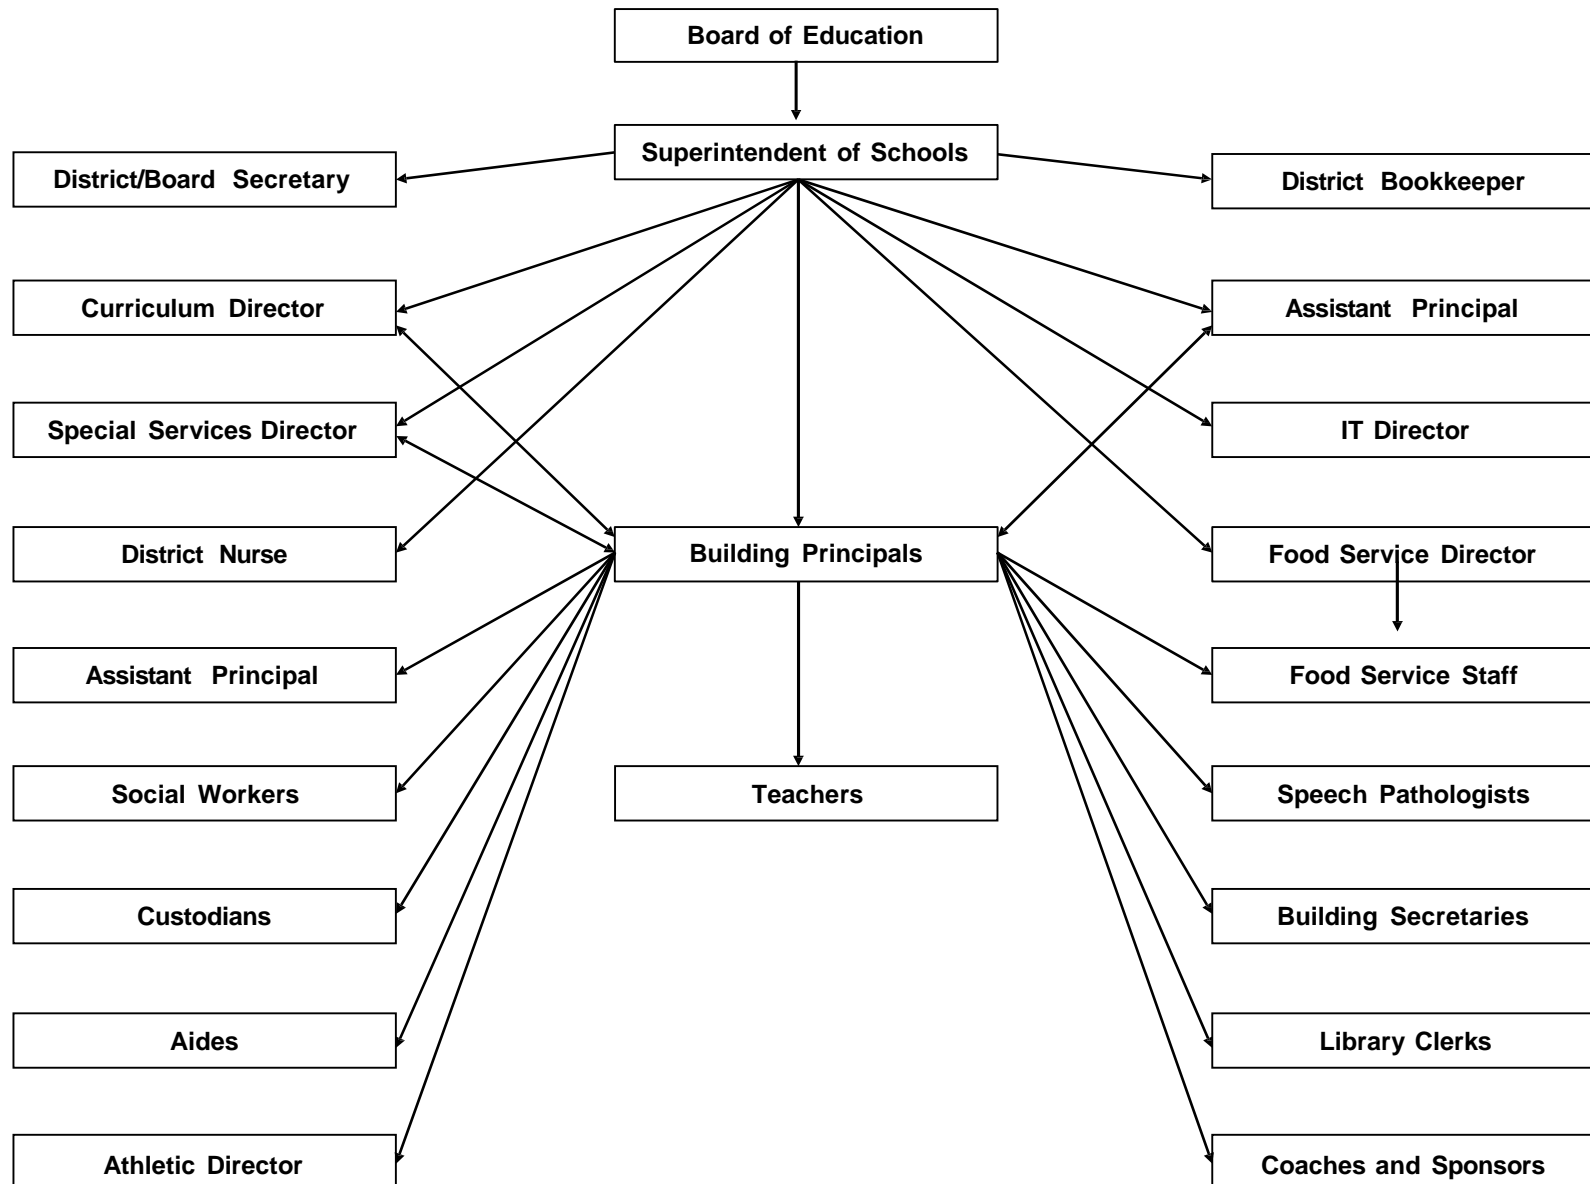

### **VII. District Organizational Chart**

The chart on the following page is developed in compliance with Board Policy 3:30 and applicable law. The District Organizational Chart simply indicates the channels of authority and reporting relationships for school personnel. Any questions should be addressed to the district office.

# Peru Elementary School District 124 Organizational Chart

Updated 8-16-18

In compliance with Board Policy 3:30, following is the District Organizational Chart indicating the channels of authority and reporting relationships for school personnel. Placement on the chart is not an indication of importance or status of a particular position; rather, relationships of authority are indicated by arrows. Any questions about this chart should be directed to the Superintendent.

## **VIII. Absences**

Employees are required to be at their respective work assignments as indicated in their respective collective bargaining agreements or individual employee agreements, and according to the schedule of each particular building. Employees who must leave the building during the day are required to notify the building secretary or principal.

### **Calling in Sick**

Employees who require a substitute due to illness or other last minute emergencies such as a death in the family are to call Rita Strickler at 815-488-6908. Please call between 5:30 and 7:00 a.m. or no later than 10:00 p.m. if calling the evening prior. Please do not text your request for a sub. If there is no answer, leave a voicemail message. Employees must provide a reason for the absence.

### **Pre-Arranged Absences**

Permission for pre-arranged absences (including professional leave, personal leave, bereavement leave, jury duty and vacation) is sought through the approval of the building principal, followed by the superintendent. This is submitted on the triplicate Leave Request Form that is available in each office. Once leave is approved, any substitutes will be arranged, and a copy of the approval will be returned to the employee.

## **IX. Family and Medical Leave Act (FMLA)**

Please contact the district office with questions or procedures regarding the request of leave under the Family and Medical Leave Act (FMLA). All staff returning from FMLA leave must provide documentation from a physician to return to work.

## **X. Acceptable Use Policy**

All employees are required to sign and remain in full compliance with the district's Acceptable Use Policy for technology, which can be located at [www.perued.net](http://www.perued.net) under Staff Resources.

## **XI. Cell Phone Use During Work Hours**

It is not acceptable for school personnel to use cell phones or other electronic devices for personal use, including talking, texting, or non-educational internet access, during times of student supervision or responsibility, or during faculty, staff or committee meetings. In the event of a personal need to access messages or make calls during the work day, please limit this communication to break, lunch or planning time. Please remember that your family members should maintain your school building's number as the primary contact number in the event of an emergency during work hours.

Also, employees need to be aware of the law as it pertains to talking on cell phones while driving in school zones when children are present. Talking on cell phones in school zones is strictly prohibited, and this includes the times most employees report to and leave work.

## **XII. District E-Mail and Communications**

District and building administrators utilize e-mail as the primary mode of written communication with staff. It is expected that all staff access on a regular basis the e-mail accounts provided by the school district. Any use of the district's network and web access is subject to the terms of the district's employee Acceptable Use Policy, as explained in Section X. Along with their name, position and basic contact information, employees are asked to include the following statement in the signature of their e-mail account:

*This email and any files transmitted with it may contain confidential and legally privileged information. It is intended solely for the addressee(s). If you are not the intended recipient, you may not disclose, copy, distribute, read or use any of this information. If you received this communication in error, please contact the sender immediately, permanently delete this email from your system and destroy any hard copy of this or any related files.*

### **XIII. Accidents and Injuries to Students**

Any student accidents or injuries occurring on district property or during the course of school-sponsored activities, including field trips and other events, are to be reported to the principal's office immediately. Do not move a student with a head injury, a back injury, a foot or leg injury.

Whether or not medical attention is required, a completed accident report form must be submitted to the school principal within 24 hours or the next scheduled district workday, as appropriate. In all cases, any student injuries must be reported to parents. All accidents/incidents will be promptly investigated and corrective measures implemented as appropriate.

### **XIV. Accidents and Injuries to Employees**

Every effort should be made at work to practice safety and follow procedures and policies to ensure the safety and well-being of all students and staff. In the event it is necessary, employees are protected on the job with workers' compensation insurance. Employees who have an accident in the performance of work-related duties must report this immediately to the school office and as necessary, follow up with any paperwork or communication with the district office.

### **XV. Mandated Reporter Requirements**

All school district employees are mandated reporters of child abuse or neglect under the Child Abuse and Neglect Reporting Act. Per state law and Board policy, any District employee who suspects or receives knowledge that a student may be an abused or neglected child or, for a student aged 18 through 21, an abused or neglected individual with a disability, shall immediately: (1) report or cause a report to be made to the Illinois Department of Children and Family Services on its Child Abuse Hotline 800-25-ABUSE or 217-524-2606, and (2) follow any additional directions given by the Illinois Department of Children and Family Services to complete a report. The employee shall also promptly notify the superintendent or building principal that a report has been made. All District employees shall sign the Acknowledgement of Mandated Reporter Status form provided by the Illinois Department of Child and Family Services (DCFS) and the superintendent or designee shall ensure that the signed forms are retained.

Any District employee who discovers child pornography on electronic and information technology equipment shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 800-843-5678, or online at [www.cybertipline.com](http://www.cybertipline.com). The superintendent or building principal shall also be promptly notified of the discovery and that a report has been made.

### **XVI. Emergency and Crisis Response Plans**

The safety and welfare of our students and staff is always our greatest priority. Each building maintains an updated Emergency and Crisis Response Plan and Team. This is developed in conjunction with the district's annual review of safety and crisis plans, protocols, procedures and school safety drills report as required by Public Act 98-0048, and in cooperation with our local emergency service providers.

## **XVII. Professional Development Travel Guidelines**

With the plan of enhancing professional growth of our staff as a whole, the district generally has no more than one or two staff members attend the same conference, unless other arrangements are necessary as outlined below. Attendance at a variety of professional development activities and having those individuals come back and share with their team, grade level, building or district staff what was gained professionally is not only more efficient from an economic perspective, but will also help provide our staff access to the greatest array of opportunities in a profession that is changing quickly and facing unprecedented challenges. Also, as much as is reasonable, the district limits overnight travel to maintain as much funding as possible for actual professional development.

Unless otherwise arranged, specific guidelines are as follows:

1. There will be a limit of one night of overnight hotel stay per year. Additional nights are the responsibility of the individual travelling.
2. There will be a two school day professional travel limit per year.
3. No more than two teachers per grade level or team will attend the same conference at the same time. For grade levels or teams with five members, up to three may attend the same conference.
4. If there is a specific school or district-related goal and/or district initiative that the administration believes warrants sending specific staff or a team to a conference or activity to assist in achieving these goals, then exceptions to the above guidelines may be approved by administration.
5. Any exceptions to these guidelines must be approved in advance by the superintendent.

## **Professional Travel Reimbursement**

All employees must receive prior approval for professional travel (see Section VIII for pre-arranged absences) and submit expenses and itemized receipts through the Professional Travel Reimbursement Request form, which can be located at [www.perued.net](http://www.perued.net) under Staff Resources.

## **Expense Policy and Maximum Reimbursements**

Employee expenses exceeding limits require Board action for approval. Itemized receipts must be submitted for reimbursement and alcoholic beverages cannot be reimbursed. Maximum meal and other reimbursements are as follows:

- Breakfast \$11.00, Lunch \$16.00, Dinner \$27.00
- Car Mileage – IRS Standard Rate
- Car Rental, Air, Bus or Rail Travel – Lowest Rate or Coach Class
- Gratuities, Parking, Taxis – Actual Rate (when necessary)
- Lodging Location Maximum (pre-approval for number of nights required):
  - Downstate and Other Areas – Conference Rate up to \$90.00
  - Chicago Suburban Area – Conference Rate up to \$120.00
  - Chicago Metro Area – Conference Rate up to \$150.00

## **XVIII. Purchase Orders and Requisitions**

Every penny that is spent for supply or equipment orders, as well as consumable goods, must be submitted on either a Purchase Order or Purchase Requisition Form, which can also be located at [www.perued.net](http://www.perued.net) under Staff Resources. Prior administrative approval must be obtained on the appropriate for prior to the expenditure of district funds. There are no exceptions to this policy.

## **XIX. Tuition Reimbursement Request**

Teaching faculty must acquire prior approval for graduate tuition reimbursement, per the teacher contract. This process is completed through the Tuition Reimbursement Request form, which can also be located at [www.perued.net](http://www.perued.net) under Staff Resources.

## **XX. Alarm System**

Most employees are provided with a code for the building alarm system. Please make certain that you are fully aware of the process and procedures for entering and leaving the building during evenings, weekends and holidays. When entering before anyone else is in the building or when you are the last one to leave the building, you must deactivate or activate the alarm system and indicate your presence or departure at the entrance according to your building's procedures.

## **XXI. Animals in the Classroom**

For student safety and liability reasons, animals are not allowed on school property before, during, or after school, except in the case of a service animal accompanying a student or other individual with a documented disability. This rule may be temporarily waived by the building principals in the case of an educational opportunity for students, provided that (a) the animal is appropriately housed, humanely cared for, and properly handled, and (b) students will not be exposed to a dangerous animal or an unhealthy environment.

## **XXII. 403(b) Retirement Program**

District employees are eligible to save money for retirement through the district's 403(b) program, which is administered through Hometown National Bank and BPAS. The contact person at Hometown is Retirement Specialist Tammy Humpage. She can best be reached at 815-220-2226 or by e-mail at [thumpage@myhtnb.com](mailto:thumpage@myhtnb.com). Questions can be directed to the district office and enrollment can take place at any time.

## **XXIII. Workers' Compensation**

The district carries workers' compensation insurance for the protection of all employees against injuries sustained in the course of duty. An employee, absent because of illness or accident, which is compensable under the Workers' Compensation Act of the State of Illinois, may elect: (1) to retain available sick leave, or (2) to utilize available sick leave in conjunction with workers' compensation and receive from the Board the amount equal to the difference between the amount due the employee from the workers' compensation insurance and the employee's regular pay, in which case the employee will be charged one-third of a sick leave day for each day of workers' compensation.

## **XXIV. Tobacco Free Environment**

Under no circumstances are employees or anyone else allowed to smoke on any part of school district property. This is strictly prohibited by state law and Board policy.

## **XXV. 2018-19 School District Calendar**

The following page is the 2018-19 school district calendar, which is also located at [www.perued.net](http://www.perued.net) under Calendar. To avoid conflicts schedule, please refer to this when planning trips and appointments that are best scheduled outside of your normal work days and times.
