Facilities

Northview School just added to it's original building in the fall of 2015. The building more than doubled in size when a 40,000 square foot addition was completed. The existing building was totally modernized and renovated and is climate controlled. This \$12 million construction and renovation project was almost entirely funded with a state grant.

School-Level Finance

The Every Student Succeeds Act requires LEAs to report school-level expenditure data, beginning with School Year 18-19 data. LEAs are required to report actual personnel and non-personnel expenditures of both site-specific and district centralized expenditures. Expenditures are shown at the site level and must be disaggregated by source of funds (federal vs. state/local). These data are self-reported and may differ from AFR data.

Educator Measures

This school has had **2 principal(s)** over the past 6 years. In the last three years, an average of **96% of teachers** return to this school each year.
