### Student Support Services

The following student support services may be provided by the School District:

1. Health services supervised by a qualified school nurse. The Superintendent or designee may implement procedures to further a healthy school environment and prevent or reduce the spread of disease.
2. Educational and psychological testing services and the services of a school psychologist as needed. In all cases, written permission to administer a psychological examination must be obtained from a student's parent(s)/guardian(s). The results will be given to the parent(s)/guardian(s), with interpretation, as well as to the appropriate professional staff.
3. The services of a school social worker. A student's parent(s)/guardian(s) must consent to regular or continuing services from a social worker.
4. Guidance and school counseling services.
5. A liaison to facilitate the enrollment and transfer of records of students in the legal custody of the Illinois Department of Children and Family Services when enrolling in or changing schools.

The Superintendent or designee shall develop protocols for responding to students with social, emotional, or mental health needs that impact learning ability. The District, however, assumes no liability for preventing, identifying, or treating such needs.
