

News and Notes **From Mrs. Goodman**

School Focus:

Week of Dec.12-16, 2016

***All math and literacy activities will revolve around a holiday theme. It is a review week, to we will not have a new focus letter.**

Note: We will not have Show & Tell next week!

Dates to Remember

Tues., Dec. 20 - Snack with Santa

Wed., Dec. 21-Holiday rotation in a.m.; Class party in p.m.

2:05 dismissal

Home Focus:

Enjoy these precious moments of excitement and wonder with your child. These innocent, magical holiday years go by all too quickly.

K-3 Wish List:

My wish is to see every child in a warm coat, a hat, and mittens every day this winter. Please let me know if you need assistance in providing these for your child.

Important Class Information

- Our winter concert was adorable! I'm so proud of our kids. They did a great job!
- Please remember to send a gently used, wrapped book for our class gift exchange. Because of a number of other holiday related activities, we will be holding our gift exchange on Tuesday morning. Everyone needs to bring a book to receive a book.
- I will not be at school tomorrow. I will be leaving the class in the very capable hands of Mrs. Koehler and Mrs. Sandrolini. Please take a moment in the morning to remind your children that this is their chance to show how awesome they are by following all of our rules and routines while I am away. Thanks! 😊

Have a great weekend!
