Home Focus:

We're now focusing on numbers to 100 in math. We'll be counting, recognizing, and writing numbers from 0-100. Check out this youtube video to help your child practice counting to 100: <https://youtu.be/VbHBYGY2fs0?list=PLC35JUfqwuVqmtl1jOm-cNC-nYdQXhWL9> or search for "We Can Count to 100" song for kindergarten.

K-3 Wish List:

The temperature in our classroom fluctuates throughout the day. Please be sure to send a sweater or sweatshirt that your child can put on/take off quickly and independently.

Important Class Information

*I hope you are noticing how your child's reading is starting to really take off. The kids are all working so hard, and I can tell that they are reading a lot at home. Keep up the great work! Don't forget that you have access to raz-kids.com at home. If you've forgotten how to get in, the teacher log-in is cgoodmano. Once you type that, your child should be able to take it from there. They do need to follow the order of 1)listen; 2)read; 3) quiz. Thank you!
