***Math:** We will begin to learn about subtraction.

Home Focus:

2nd trimester assessments will begin. Please practice sight words, counting to 100, addition facts adding up to 5, and any other 1st trimester skills you child may still be struggling with.

K-3 Wish List:

Please help support the Peru Education Foundation's fundraiser if you can by donating to our "puppy love" themed raffle basket. The foundation funds grants for teachers to provide things that our district budget could not afford. They funded our chrome book lab, postage for our Hero Box drive, our classroom "Hokki stools," individual CD players with headsets, and a number of other projects throughout the district. If you wonder what the foundation is all about, please check the link on our district web page. If you are interested in purchasing 50/50 tickets (\$5 each or 5 tickets for \$20), please let me know. You do not need to be present to win. The drawing will be March 11.

Important Class Information

*Please note that valentines may include stickers, pencils, tattoos, etc., but may NOT contain candy. Please be sure that you don't purchase valentines with suckers attached, Fun Dip valentines, M&Ms, etc. (I know I sound like a broken record, but it would break my heart to have to tell any of my kids that they can't pass out their valentines!)

*We learned about dental health this week. Ask your child what he or she has learned!

Have a great weekend!
