## Important Class Information

\*With Valentine's Day right around the corner, I want to let you know in advance that we ask for valentines WITHOUT candy. Stickers, tattoos, pencils, etc. are ok, but we will not be passing out any valentines that have candy attached or included. Thank you for helping me keep all of the kids in my classroom safe and happy.

I'll be sending more information about Valentine's Day right after our 100<sup>th</sup> day of school.

Have a great weekend!
