Home Focus:

There will be a 100 Day award for every child who can count from 1 to 100 independently. We've been practicing this for nearly 100 days, so it should be pretty easy. If you notice that your child still needs a little prompting at the nines (29, 39, 49, etc.), please practice!!

K-3 Wish List:

We're in need of light bulbs for our lamps again. If you are able to donate any, you would be greatly appreciated.

Important Class Information

* Students in my class are encouraged to dress like they are 100 years old on the 100th day of school (Thursday, February 2). It's not required, but it sure sounds like fun! I can't wait to see these "elderly" kindergartners!

*I've had a few questions about a 100 day project. **We are NOT bringing a collection of 100 things, or any type of 100 day project to my class.** All of our 100 day activities will be provided here at school.

Have a great weekend!
