

News and Notes **From Mrs. Goodman**

School Focus:

Week of Nov. 28-Dec.2, 2016

Dates to Remember

Fri., Dec. 2- 2:05 dismissal

***Literacy focus:** Letter: Ll
Sight Words: *am, car*
Vocabulary: *food, grandparent, together*
***Math focus:** Numbers to 100
***Writing:** Writing a simple sentence.

 **Home Focus:**
Keep working on coats and zippers. I will always help children bundle up for the cold, but I do insist that they try to do it themselves first. Independence gives them confidence and power! Practice, practice, practice! 😊

 **K-3 Wish List:**
Please remember that your child needs to bring his/her green folder and backpack to school every single day. Even on special or shortened days, we have things to send home.

Important Class Information

- *We have spent much of our guided reading time doing assessments and gathering information for parent teacher conferences. We will be back on track next week, and will begin to bring bag books home again every day.
- *Thank you for taking the time to come and talk with me. Your support and involvement are the keys to your child's school success.

Have a safe and happy Thanksgiving!
