## **Home Focus:**

Letter and number formation is very challenging for some students. Please practice writing numbers and letters at home.

## **K-3 Wish List:**

Please keep all of the little emergent reader books your child brings home in a special place, so that he or she can read the books over and over again. They are great confidence builders, and they help strengthen pre-reading skills. They are also a great way to keep a child occupied in the car! 😊

## **Important Class Information**

**\*\***We're already half way through our first trimester of kindergarten! I can tell that you're working on basic skills at home, and I assure you that your child is reaping the benefits of your efforts. Please keep up the great work - especially with letter/sound, number, and sight word recognition .

**\*** Have a great weekend!
