

News and Notes

From Mrs. Goodman

School Focus:

Week of Sept. 6-9, 2016

Dates to Remember

Monday, Sept. 5-No School- Labor

Day

Friday, Sept. 9- 2:05 dismissal

Literacy: We will keep working hard to learn to identify letters and sounds. Please help your child practice at home.

Math: We will continue working on number identification, and will learn to write the numbers from 0-10

Social Studies: We will be learning classroom and school rules, and working to understand how we can be safe, responsible, and respectful.

Handwriting: Our immediate focus will be on learning how to write our full names "the kindergarten way"- with one capital letter followed by all lower-case.

Home Focus:

* The red and black "Home/School Connection" folder is a resource for you as you work with your child at home. Please keep that folder at home, and work two to three times a week on the items in the folder. Also be sure to read to your child every day!

K-3 Wish List:

Our PE time is immediately after lunch recess. With so many children who do not yet tie shoes, we have been late for PE every day. If your child doesn't know how to tie, please send Velcro shoes for PE.

Important Class Information

- *Please remember that we do not have a community snack this year. Children are asked to bring their own snack for snack time every day. Little tummies get hungry in the afternoons, and it becomes hard to focus without a little something to tide them over until they get home. We will not have snack on early dismissal days. All other days are snack days. Please remember that we are a nut-free room. 😊
- *Show & Tell will begin on Tuesday. Please refer to the list and guidelines you received in your parent packet. Children are only allowed to bring toys to school on their assigned show & tell day.
- *I'm absolutely thrilled with the number of responses I got to my request for parent volunteers. We will need another week or two to get all of our routines under way. Then I'll be contacting everyone who expressed an interest in volunteering. Thank you for your patience!
- *Have a safe and happy holiday weekend!
