

News and Notes

From Mrs. Goodman

School Focus:

Week of Oct. 3-7, 2016

Literacy: Letter: Hh
Sight Words: I, this
Vocabulary: learn, enter, order

Math: Numbers 6-10

Writing: Adding details to the pictures we draw to tell a story; coloring within the lines, leaving no white spaces, and using colors that make sense

Dates to Remember

Tues., Oct. 4- PTC meeting at Parkside
6:00 pm
Friday, Oct. 7- 2:05 dismissal

Home Focus:

Please practice taking off jackets without turning sleeves inside out AND turning sleeves right side out. Some kids need practice learning to zip their coat/jacket, too. This year's most important word is **independence**. 😊

K-3 Wish List:

We use lamps in our classroom to limit our exposure to florescent lighting. If anyone would ever like to donate a package of lightbulbs (60 watts or brighter), I would gratefully accept them.

Important Class Information

******Please remember that poetry notebooks need to be returned every Monday morning. We use them all week long, and they are an important part of our literacy program. Keep all poems in the binder, please. We are never "done" with a poem. We use them over and over and over again.

***** Have a great weekend!
