#### Guidelines:

\*Each child may bring show & tell only on his or her assigned day every week. The item should begin with the focus letter of the week. For example, a child might bring a toy dinosaur when we are learning the letter Dd.

\*All toys, etc. must be left at home on all other days.

\*Absolutely **no weapons** of any type maybe brought to school for show & tell or for any other reason.

**\*Because of allergies, no live animals may be shared this year.**

\*Please be aware that, although we will always be very careful, bringing fragile items is not encouraged.

\*Please limit items to those that will fit into your child's backpack.

\*Questions? Please don't hesitate to ask!
