STRONG SWIMMERS SAFE KIDS

Swim Lessons
Illinois Valley YMCA

At the Y, we offer a wide selection of infant and parent/child classes to school-age and adult swim lessons. Our swim program teaches participants to become confident swimmers, developing strong techniques, water safety knowledge, and experience.

PARENT/CHILD SWIM LESSONS

This stage introduces infants & toddlers to the aquatic environment. Our instructors will encourage parents to set developmentally appropriate expectations for infant and toddlers enrolled in swim lessons, introduce & emphasizing basic water safety to parents and providing a positive family aquatic experience and building relationships among & between parents and children by providing opportunities for fun & interaction in the water.

Tuesday 4:30 - 5:00 p.m.
Thursday 4:30 - 5:00 p.m.

AGES: 6 - 36 MONTHS

PRESCHOOL SWIM LESSONS AGES: 3 - 5 YEARS

Stage 1 Water Acclimation

Students will become comfortable independently going underwater and learn how to exit the water safely. Safety is reinforced when students learn about the importance of lifeguard/adult supervision, asking permission before going into any body of water, and life jackets. Goggles are not recommended for this stage.

Tuesday 5:05 - 5:35p
Thursday 5:05 - 5:35p

Stage 2 Water Movement

Students will learn independent front and back glides, and swim sequences to reach safety. Safety will be reinforced when students learn about finding help, reach or throw, don't go, and backyard pool safety. Goggles are not recommended for this stage.

Tuesday 5:05 - 5:35p
Thursday 5:05 - 5:35p

Stage 3 Water Stamina

Students will build endurance to perform the safety sequence of swim-float-swim up to a length of the pool. Treading water up to one minute and getting to safety in deep water will be reinforced through jump-push-turn-grab sequence. Safety will be reinforced when students learn about sun safety and calling 9-1-1. Goggles are not recommended for this stage.

Tuesday 5:40 - 6:10p

Stage 4 Stroke Introduction

Students will be introduced to basic front and back crawl, as well as butterfly and breaststroke kicks. Students will also work on treading water endurance and be introduced to elementary backstroke. Safety will be reinforced when students learn about beach and boating safety and basic first aid practices. Goggles are recommended for this stage.

Tuesday 5:40 - 6:10p

YOUTH SWIM LESSONS AGES: 6 - 12 YEARS

Stage 1 Water Acclimation

Students will become comfortable independently going underwater and learn how to exit the water safely. Safety is reinforced when students learn about the importance of lifeguard/adult supervision, asking permission before going into any body of water, and life jackets. Goggles are not recommended for this stage.

Tuesday 6:15 - 6:45p
Thursday 6:15 - 6:45p

Stage 2 Water Movement

Students will learn independent front and back glides, and swim sequences to reach safety. Safety will be reinforced when students learn about finding help, reach or throw, don't go, and backyard pool safety. Goggles are not recommended for this stage.
