Dear Northview & Parkside Parents:

This letter is to alert you to an extraordinary family program coming to our school on Monday, February 6, 2023 at 6:00pm. Tim Hannig's PRO-KIDS SHOW is an exciting presentation filled with music, magic, fun and involvement for the entire family – children and their parents.

THE PRO-KIDS SHOW has entertained over 2.6 million families across the United States, and performer Tim Hannig has also entertained for Six Flags Theme Parks, Hollywood's Magic Castle, and at The White House. Principals who have had Tim's PRO-KIDS SHOW at other schools have said it's "one of the brightest spots we've had here . . ." and "the audience was with him every minute of the program . . ." and "he has an outstanding gift of holding an audience regardless of age 5 -80! He does a tremendous job!"

Tim recently became the first person in Chicago History to win BOTH 1st Place & The People's Choice Awards at The Chicago Magic Competition for a SECOND time. One of the judges was Chris Jones, chief theatre critic from the Chicago Tribune, who said, "BRAVO! With formidable skills, charm and warmth, Tim really is amazing!"

This special PRO-KIDS SHOW Family Night will be presented on Monday, February 6, 2023 at 6:00pm in the Northview Elementary gym.

In most schools, tickets for Family Night must be purchased. However, our PTC has made special arrangements to bring the PRO-KIDS SHOW to your family without charge. I strongly urge you to attend what will probably be the most unique and exciting evening of the entire year.

You won't want to miss it!

Sincerely,

Sara McDonald  
Northview Principal

Brent Ziegler  
Parkside Principal
