

## Options for Covid Testing (Rapid Antigen and Molecular PCR tests)

***Please contact your Healthcare Provider first to discuss symptoms and treatment, as they know your child's health history the best.***

- 1) Walgreens' website [www.walgreens.com/covid19testing](http://www.walgreens.com/covid19testing) lets you schedule online free, rapid diagnostic tests (ID NOW) at the Peru or Ottawa location, results come back online and in less than 24 hrs. No charge.
- 2) LaSalle County Health Department offers free, rapid antigen tests M-F by appt only. **Call 815-433-3366 option 3.** Leave a message to schedule. Results given in 15 minutes. Located at 717 E. Etna Road, Ottawa, IL.
- 3) St. Margaret's Mobile Testing Unit offers free, rapid antigen tests 7 days a week. Drive up 11 am -4:30 pm, non holiday weekdays and 11am-12:30 pm weekends and holidays. Need photo ID and insurance card. \*Please call 815-664-1347 and listen carefully to instructions. Results given in 15 minutes.
- 4) Hyvee in Peru offers both rapid antigen tests (results within a few hours) and PCR tests (results back in 1-3 days). Both tests can be scheduled online at [www.hy-vee.com/my-pharmacy/services/covid-19-testing](http://www.hy-vee.com/my-pharmacy/services/covid-19-testing) Testing is done M/W/F. There is no charge for the PCR test, but as of August 12, 2021, the rapid test is \$129.00.
- 5) CVS pharmacies in Ottawa and Mendota (not Peru location at this time) offers drive through PCR testing. No charge. To schedule go to [COVID-19 Testing and Locations | MinuteClinic \(cvs.com\)](https://www.cvs.com/COVID-19-Testing-and-Locations) Results back in 1-2 days.
- 6) OSF UrgoCare in Ottawa offers appointments with a provider, when you cannot see your regular family physician/provider. Appts can be booked at [www.osfhealthcare.org](http://www.osfhealthcare.org) or call 815-431-3410. A provider will see your student and consider rapid antigen testing. **Note these tests are then sent to OSF Peoria lab to verify a PCR. Those results are received in 1-2 days and it is billed to your insurance.**
- 7) St. Margaret's Midtown Health Center in Peru - For a virtual appointment, call 815-220-2645. A provider will have an online visit with your child and can order appropriate testing. The virtual visit is billed to your insurance. **NOTE - COVID Tests are not performed on site-you are sent to their outpatient testing unit.**
- 8) IDPH offers free PCR testing at multiple locations, regardless of symptoms. To check locations and times, go to <https://www.dph.illinois.gov/testing> . Bloomington is one option parents have used. 1106 Interstate Drive, Bloomington, IL 61705. Hours M/W/F/Sat from 9-5. **Sites may close due to inclement weather, so check website first.**
